All of us today in our lives use signs or follow signs in some way or another. These signs are put up by our fellow man to announce things for sale, promotion, or direction. There are also signs in the happenings among peoples and nations that give warnings of things to come. For those who can interpret what has passed the signs of the present give a clue to the future. Then there are those who are the special readers of signs: the soothsayers and the pundits. In a world fraught with signs of things as they are and things as they may be we of La Capa "77" present as our theme: Signs of the Changing Times.

1. Ana Sanchez, Connie Renella, Madeline Manriquez and Liz O'Bannon.
2. New La Mirada Mall.
3. Amy Mong, Chris Parry, Dan Murayama, Connie Renella, Liz O'Bannon spend a day at the library.
4. Mike Freeman, Angie Manriquez, Donna Caliva, Ellie Inbody and Dave Van Ramhorst.
5. New housing project in La Mirada.
6. Sign of the times.

CHANGING TIMES

La Mirada High School today is changing constantly. The signs of that change are constantly going up and down. Those signs on the quad grounds were getting to be too much, and efforts to eradicate them as eyesores were underway. New signs to take their place are sure to appear to reflect the past and present. A spectator could look around our school and see signs, signs reflecting friendship, spirit, personal egos, love affairs now long dead, class competitions and passing fads.

Some signs of the year '76-77 were Co-ed P.E., the spirit tree, cut down by vandals, and girls now participating in almost all sports and receiving varsity letters.

Dear Sheryl,
 It's been great
 knowing you
 to all meet
 of you over the
 summer. Maybe
 we can go to
 S. H. again. I
 the ever have
 it. I doubt it.

THE ULTIMATE CHALLENGE

Styles change more quickly than a blink of an eye. One day you may see a person wearing gauchos (knee-length pants) and the next, that very same person might be wearing good old blue jeans.

Stylish shoes were a big part of today's attire. They came in all colors, shapes and sizes. The most popular were the banana puma, wooden platforms and, for the teachers, the simple patent leather. A sign of the time was time itself. With just a touch of a button, time, date, and seconds came into view on a digital watch.

Jewelry was worn by both sexes: girls seemed to have taken to small and exquisite-looking turquoise, pearls and opals. A few even had diamonds. The guys could be seen wearing turquoise, coral, all types of shells.

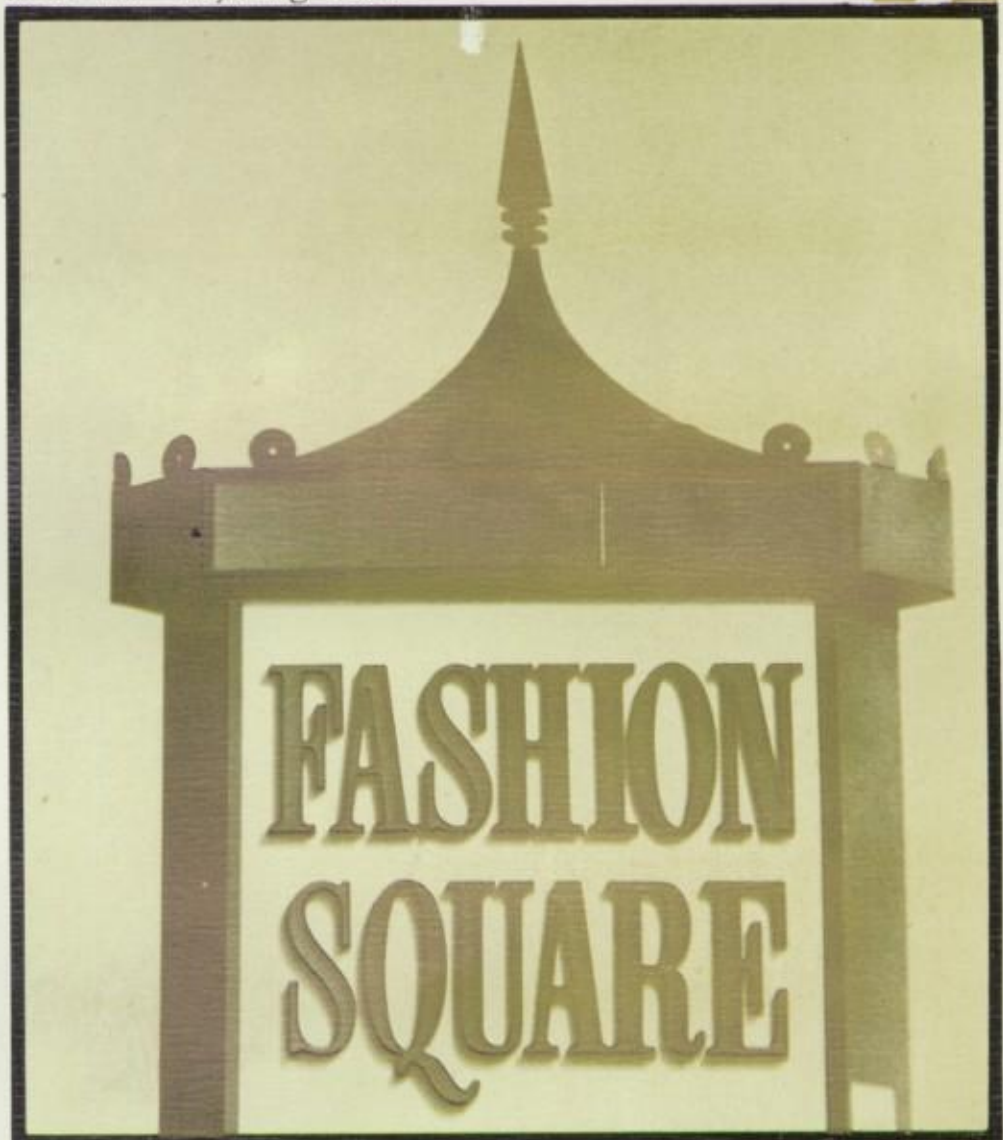

The fashion challenge was to be different. If at first you didn't succeed, you didn't fret, because a sign of the times was "Anything Goes."

Robin Hood stole again, but this time it was the homecoming float award! Living trees, coach and castle, Robin Hood, Friar Tuck, the Sheriff of Nottingham all were a part of the Junior prize-winning float.

The Old Woman who lived in the shoe, constructed by the class of '77 took second. The Wizard of Oz was the setting for the third-place float made by the class of '79. The freshmen were fourth with "Winnie the Pooh."

Half-time activities included the majorettes twirling fire and the crowning of Queen Donna Hotra.

The football game was full of excitement as the mighty Matadores emerged with a 34-0 victory.

After the game the enthusiasm was carried through at the dance. The band was Primo. The proceeds of the dance went to the class of '78.

5

STORYBOOK FANTASIES

Instead of the usual flurry of homecoming activities, Matadores busied themselves filling in C.T.B.S. computer cards for three days. With the resultant half-day schedule, most students could be found going out to lunch and rushing to go work on their class floats to get them done for Friday.

Despite the curtailment of activities those which did take place were: a big-wheel race with the princesses, a slave auction, a pep rally, the annual mum sale, and a memorable moment was Mario Pompa's getting a pie thrown in his face.

DONNA'S DREAMS COME TRUE

Variety as well as beauty described the 1976-77 Homecoming court.

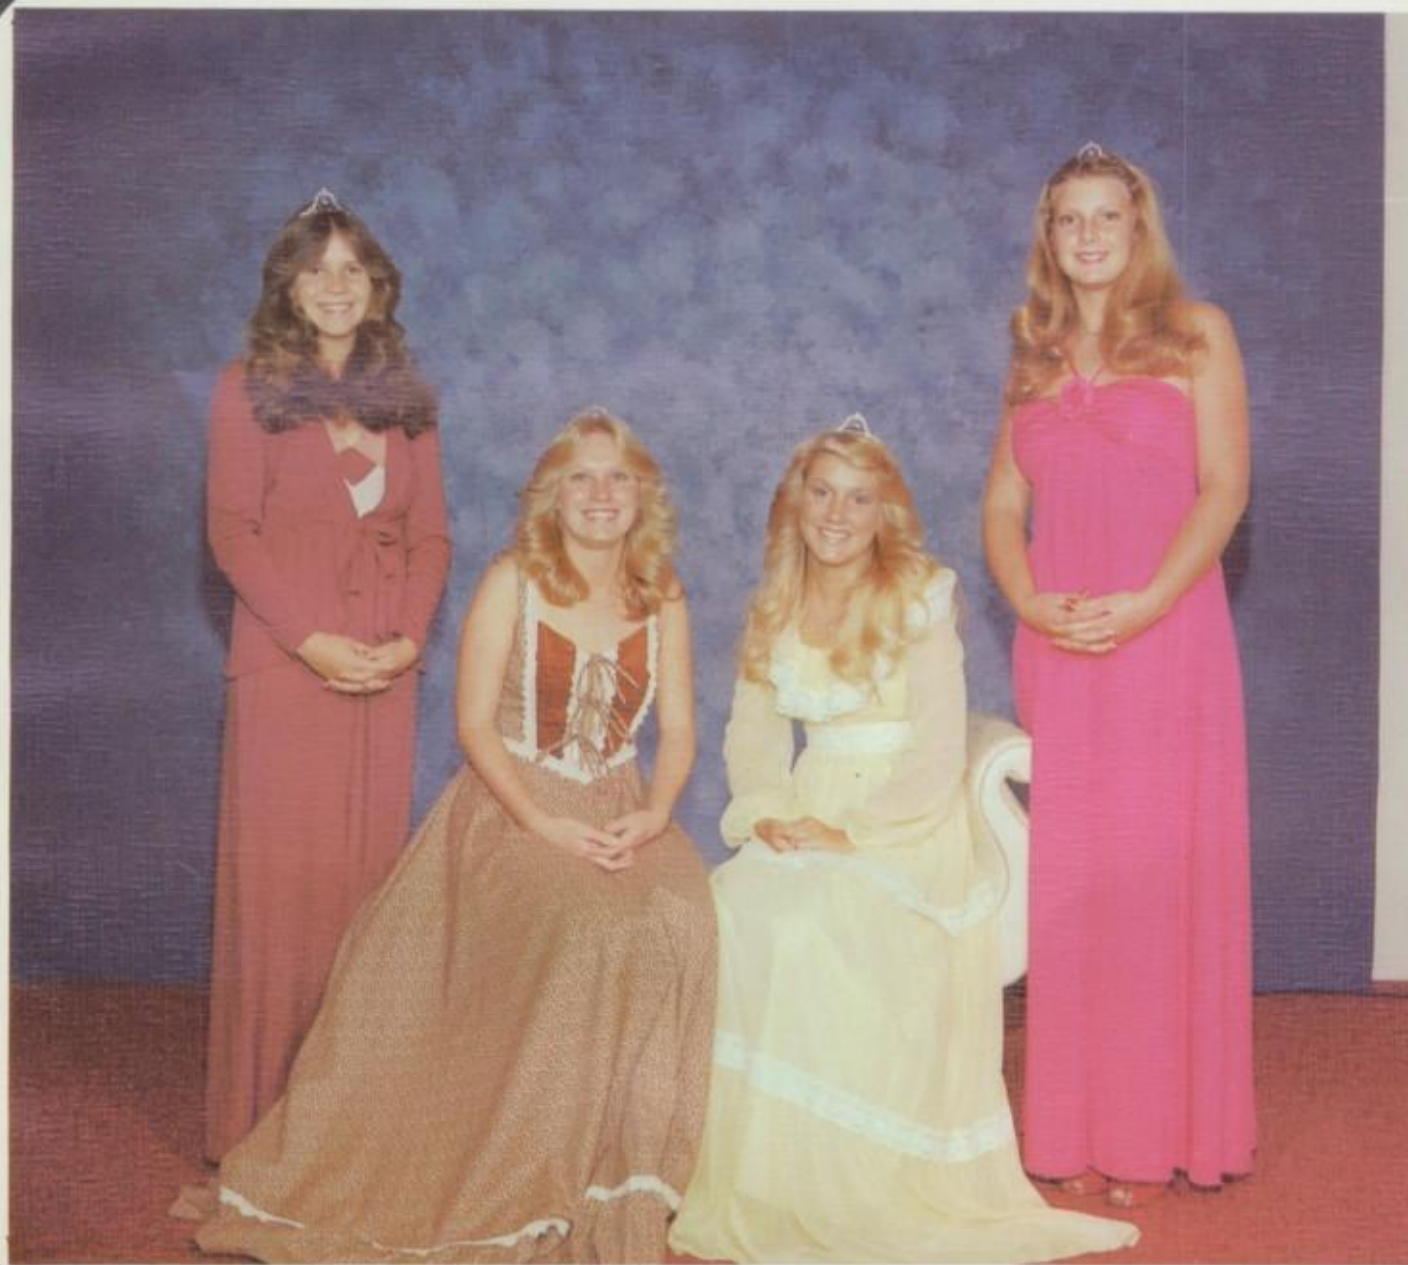

Queen Donna Hotra (pictured on the left) was active in the class of '77. She was vice president in her sophomore and junior years. Outside school Donna could be seen working in her garage on many different types of crafts. She also liked to participate in co-ed sports.

Princess Stacy Coon (shown bottom left standing) was a representative of the newly formed student league. Stacy enjoyed snow skiing when she wasn't attending school activities.

Princess Lori Wilson (shown bottom right sitting) was a member of the 1976-77 Varsity Yell squad. When she wasn't cheering, Lori liked to water ski and watch guys.

Princess Kris Widtfeldt (shown bottom right standing) has been a J.V. Yell leader, a Varsity Yell leader and this year she took the job of A.S.B. Pep Commissioner. In her spare time Kris water skied and liked to play basketball.

Princess Joanne Wolverton (shown bottom left sitting) participated in mini-spirit week on drill team. Also Joanne helped in the planning of class of '77 dances.

ACTIVITIES

Hearts and Flowers was held at the Ambassador Hotel. Students League was formed at L.M.H.S. Jimmy Carter won the presidential

election though Gerald Ford won L.M.H.S.'s mock election. Donna Hotra was crowned Homecoming Queen 1976-77. L.M.H.S. campus was resurfaced and kept cleaner.

Peppy Pep Units

Pep Units consists of the Varsity Yell Leaders, Song Leaders, the Junior Varsity Yell Leaders, Flagsters, Our Mascot, Majorettes, and the Letter Carriers. The support and spirit they engendered were appreciated.

Pep Units In Action

Get on down, down, . . . away down. Our pep units got on down, but kept the spirit high, at La Mirada.

All participants had to try-out at the end of last year. Then they were off to summer camp, where they were taught new cheers, and routines. When back-to-school came the girls were busy practicing for competitions and pep rallies.

All the pep rallies were a lot of fun. They consisted of cheers, performances, and skits. They also had class competition through games, and battle cries for the ever popular "spirit jug."

Through the year you could have found pep units at all sporting events, showing their encouragement, vitality, and above all their outrageous spirit.

6. Majorettes Stephanie Gillen, Andrea Inbody.
7. Varsity Football members yelling during class competition.

In the Spirit

La Mirada's Mascot, Letter Carriers, Majorettes, and Drill Team enjoyed participation with the band for home half-times and parades. They also enjoyed competitions, and coming home with a first place. Their talent and smiles were a great asset to the band's performance.

At all the Varsity Football games, Varsity Yell, Song, Flag, Majorettes, and our Mascot were full of cheers and chants to get the crowd in the spirit.

Achieving

Achievement, excellence, and ambition are signs of scholars and the members of the California Scholarship Federation. A student may belong to this club if he or she has ten or more C.S.F. Points acquired in class work, three for an A and one for a B. The C.S.F. sponsors a tutoring program each year for students who need help with their schoolwork. Each year the members take study trips. This year they went to a few plays, some college campuses, the state convention, and other places of interest. They also had fund-raising events. This money was used for scholarships, which were given out each year, beginning last year, to seniors who were seal-bearers. A seal-bearer was a member who has belonged four out of six semesters, not counting the freshman year, with one semester in the senior year. A special honor "the 100-percent award" is given to members belonging seven out of eight semesters. The advisors were Mrs. Fran Jung, Mrs. Wanda Kelly and Mr. Ed Doll.

Keep on Traveling

A conversation among Carlos Cadena from Academia, Ecuador; Alfredo Cuellar from El Salvador, San Salvador; and Helen Souha Koury from Beirut, Lebanon; Stella Valle Lavin from Mexico City, Mexico; Tim Peterson from Sodertalje, Sweden; Kumiko Suzuki from Tokyo, Japan, might sound like a United Nations Meeting, but it could take place right on the La Mirada quad.

These students were foreign exchange students this year under the auspices of Student Exchange Club. The S.E.C. club was concerned with raising money so its members could go to foreign countries. Activities which they held to raise money were selling spirit ribbons, bake sales, dances, and open house. Last year they had seven students go to foreign countries: Bruce Redd, Mary Cla-baugh and Ann Webster all went to Germany, Scott Evans went to Australia, and Donna Caliva and Paula Saylor went to Sweden.

The Speech Club is an organization of speakers who participate in speech tournaments all over the state. They debate amongst students from other schools. To raise funds they held a tournament here at La Mirada in which over thirty schools participated. They also sponsored their annual Readers' Theater. The Speech Club's turkey board also expresses its members' humor and wit.

Communicating

Equal opportunities for all was what the Spanish Club provided last year. This club was not your ordinary club. The club believed in democratic organization. Therefore this club had eight presidents. These were Eseta Fesili, Maite Garcia, Ellen Shackleford, Miguel Mendoza, Mario Macias, Mike Chavira, Dan Murayuma, and John Carney. These leaders organized and carried out the Casa de Shakey's visit, the Los Portales eat out, the Mexican presidential inauguration festivities, and camping trips to Spain, Mexico, and Ecuador.

The primary goals of this club was to bring a wider, broader knowledge of the Spanish culture to La Mirada High School students.

Australia, Canada, Mexico, Russia, the Orient, and all fifty states could be heard in the room of the Radio Club. All came together here as students tried to reach as far away as they could. La Mirada's official call sign was WA6LQUE. The club exchanged call sign cards with everyone they talked to on the radio. The members of this club learned Morse Code and worked for the ultimate goal, acquiring a novice license. Last year the members also won a special award for reaching all fifty states.

The advisor for both these clubs was Mr. Hengler.

Collecting for the March of Dimes and Toys for Tots, painting houses, and participating in a bike-a-thon for the Cancer Foundation were just a few things the Interact Club did last year. This club, sponsored by the La Mirada Rotary Club, serves the community and the school. It helped the school last year by doing anything from ushering school events to beautifying the campus. The advisors were Mr. Tona and Mr. Castro.

Reflections

Photography interests and abilities were brought together by fellow photographers who joined the Photo Club. Mr. Brizic, who teaches the art of picture taking, advised the club.

They sold T-shirts and took pictures at Sadie Hawkins to raise money so that new and better photography equipment could be purchased. Not only did the students who participated improve their techniques, but they received a first-hand experience of the worthwhile involvement that is available on our campus.

Girls' Athletic League was mainly to promote more fun for the girls in athletics. Any girl could be in the club as long as they had participated in one of these sports: volleyball, tennis, basketball, softball, or track. G.A.L. raised money for equipment in these sports by selling candy, having car washes, and also by sponsoring the Donkey Basketball Game.

A New Start

Taking the place of Girls' League this year was a new club, Students' League, involving every student in the school. The new league started the year off with the annual 'mum' sale for the Homecoming game.

Students' League's main purpose was to involve all students to take part in the planning of the traditional "Hearts and Flowers Dance." This year it was held at the Ambassador Hotel in Los Angeles.

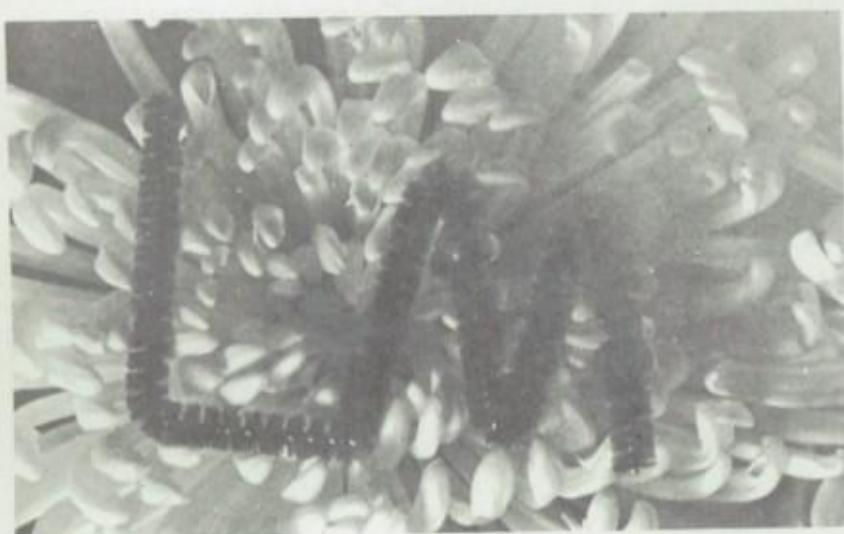

Hearts and Flowers turned out being such a success, because of all the encouragement shown by many students. Other activities put on by Students' League were school dances. Because of the success of Students' League, the enthusiasm shown by the members this year may continue throughout the years because of those people who gave many hours of effort to form such a successful club.

Representation

The senate consists of six committees, Campus Order, School Spirit, Lunch Time, Student Rights, Human Rights, Administration-Faculty, and Student Relations. Each committee proposes bills that are then presented to the student council. If the student council approves the bills the committee chair-person, A.S.B. president and the A.S.B. resident then present them to the administration. This method was a new idea tried out for this year.

Sandy Mushrush, A.S.B. Vice President said, "I think that it has been very successful and for the first time in years being a senator is something to be proud of. The students are running the senate, not the student council."

Dear Matadors:

Thanks to your support, we your ASB council have been able to end a year of accomplishment.

Without you, our campus clean-up campaign wouldn't have been such a success. Communicating through posters, news columns, announcements, painted trash cans, and by word of mouth, we have all understood how important Matador pride truly is. The district, administration, and maintenance department were so impressed we received a resurfaced quad and short days. Because of our success we've also been able to send our sea gulls to Neff.

Working exceptionally hard ASB Vice-President Sandy Mush-rush was able to lead our Senate in reaching various goals and she was also able to communicate through the senate meetings, the importance of a clean campus, no drinking at dances, school policies, and upcoming activities. If you ever wanted to know what was being done by your senate or student council all you had to do was visit our new bulletin board in the office.

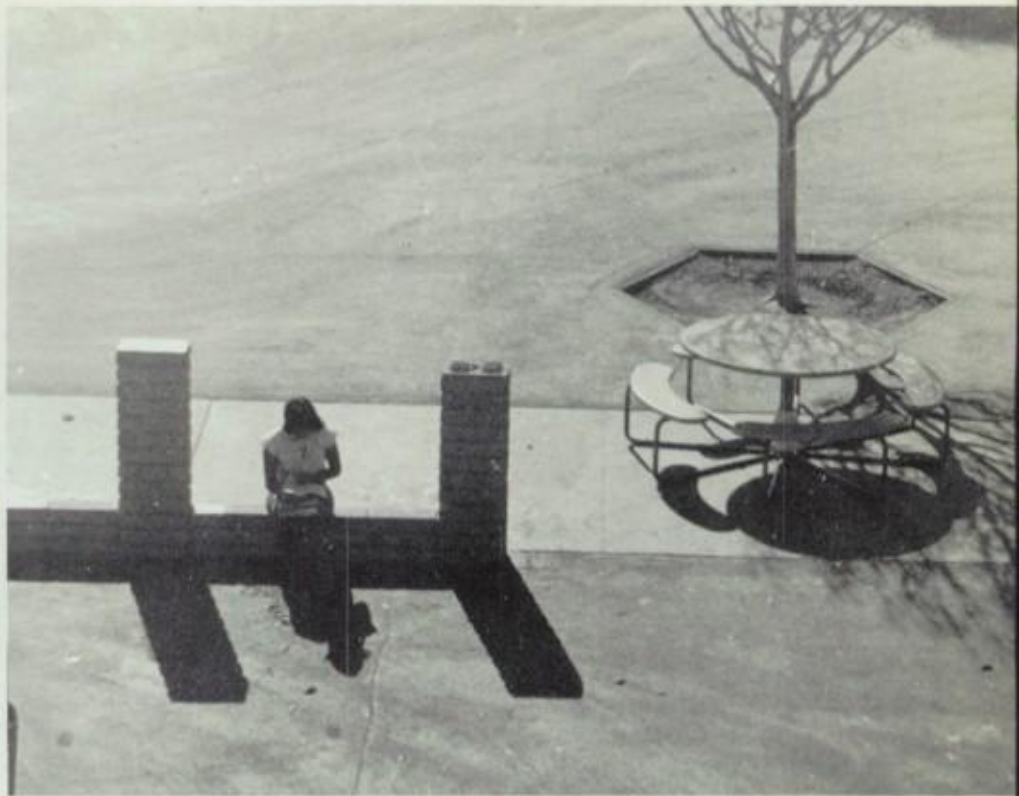

We your ASB cabinet have strong control over many activities and organizations. We sold ASB cards, caps and scarves, pickles, LMHS pins, and sponsored dances. Again special thanks to all of you and to our dedicated and hard working cabinet members.

Luck and Laughter,
Mario Pompa
ASB President

Signs of Romance

The Ambassador Hotel in Los Angeles hosted the traditional Hearts and Flowers dance this year. The Ambassador Hotel, site of the dance, is an historical building, located on Wilshire Boulevard on a large green island in the midst of the tall buildings of downtown Los Angeles. Recently refurbished, the Ambassador is a beautiful tourist attraction.

Hearts and Flowers was sponsored this year by the Student League, which is composed of all members of the student body, as contrasted to previous years when this was a Girls' League function. Mr. Berklite was the advisor of Students' League and helped to plan and execute the details of the dance.

The dance was a great success, many students were there dressed in their long formals and tuxedos. The excitement and fulfillment of the dance was talked about weeks after the magic moment.

Matador Action

Dancing, Homecoming, Powder-Puff, Voting for U.S. President, 4-on-4 Volleyball, and of course an occasionally thrown milk carton were just a few examples of the many events that took place on the Matador campus. Yes, it was an ultimate year filled with entertaining activities and for those of us who participated and organized them they'll always seem unforgettable. Hopefully these activities will be repeated in future years except, of course, the milk carton throwing.

After-School Activities

After the work was done and the school day over, students enjoyed the more enjoyable things of life. On hot days students would leave early and head for the beach. If they didn't do this, they would head for the air-conditioned Mall for a coke or a game of pinball.

On other days students would enjoy the park. They would play frisbee golf, tennis, or just take a walk along the lake.

After the football and basketball games, many students went to the Round Table for pizza. Others went to Farrells for ice cream.

On Friday and Saturday nights, many students enjoyed going to the many parties in the area.

The sign of the after-school times was fun and games.

Flag Football ???

Kicking, punching and even biting were some of the unusual actions in the 1977 Powderpuff football game. The girls were rougher than anyone expected.

During the many practices, the girls learned various football techniques which proved to be successful in the game. The final outcome was a 14-0 victory for the Seniors.

The first two quarters were really exciting as both teams proved they had strong defensive lines and quick offensive backfields. Throughout the game spectacular passes and catches were made by both teams. The seniors scored the first touchdown in the first quarter with an end run, the PAT was attempted and missed.

The second half of the game was played with as much enthusiasm as the first half. The second touchdown and final scoring was made in the fourth quarter by the Seniors with the PAT successfully completed, making final score 14-0.

At the closing of the game both teams could be seen exchanging handshakes and hugs.

Following the game everyone enjoyed the dance sponsored by the senior class.

Women's Lib Hits La Mirada

In keeping with the tradition of a Homecoming Queen and court and the spirit of equal rights, and the signs of changing times, a Powder Puff King and court were elected this year. Beautiful Homecoming Queen, Donna Hotra, crowned Mike McClanahan as La Mirada's first King Puff.

Mike McClanahan was a member of the CIF Varsity football team, a member of the Varsity Club, was elected "Best Physique" for Senior Mosts, surfing, watching Bugs Bunny and girls occupy his off-campus time.

Dave Kirk was involved in many things including, President of the Varsity Club, on the Varsity baseball team, the CIF Varsity football team, and acting as coach for the senior Powder Puff Team. Outside of school, he enjoys water skiing, doing woodwork, and eating home-baked goods.

Jerry Hernandez was a guard on the CIF Varsity basketball team; was elected "Best Personality" on Senior Mosts; active on

the Student League Club, and in the Varsity Club. Motorcycle riding, watching the Gong Show, playing over the line, listening to girls' gossip and watching all sports were his leisure time activities.

Dan Murayama played on the CIF Varsity football team, was senior class Sgt.-at-Arms, a Senator, awarded "Best Smile" for Senior Mosts. He was President of the Photo Club, played on J.V. Tennis Team. His heroes are Superman and Clint Eastwood. He enjoys camping, playing volleyball and basketball. He likes going to drive-in movies and spends time training hamsters.

Jerry Sulentich performed in the marching band for four years, was the lead alto in the jazz band, and played on the CIF Varsity basketball team. During his spare time, he enjoys ice skating, sailing, water skiing, playing hide-and-go-seek, and especially girl watching.

Shortages of 1977

One of the more memorable aspects of the year in the United States was the effect of various shortages upon Americans' lives. The students of La Mirada did not escape the results of the energy shortages that plagued the whole country. Coupled with a year-long drought which caused a dangerous water shortage in the state, the effects were felt by all Matadors. Asked to save electricity, water, and fuel, Matador complied in their usual good humor and patriotism, hoping that better days would come soon.

Annually faculties throughout California designate their top students to compete in local, county, and state competition, vying for scholarships. La Mirada's entrants went on to garner money toward future college education. Scholarship paid off in a big way.

PERF. ARTS

L.M.H.S. Children's Show was cancelled. "All the President's Men" had national impact as a portrayal of Watergate. L.M.H.S. band had two Drum Majors. Speech presented a

Readers' Theater on the Kent State tragedy. Drama students took a trip to New York. "Rich Man, Poor Man" started a new trend in T.V. La Capa had its first Junior editor.

Making the Scene

Productions for drama students didn't exactly start off with a "BANG," but the year did get under way with the first play "Prime of Miss Jean Brodie." This was about a school teacher who, in her prime, has a big influence on her students. It received a great response from the audiences. Drama put on a few more productions during the year, one of which was "Plaza Suite," a series of three one act plays.

Linda Pagano served as president of the Thespian Club. She said that she wishes the best of luck to next year's Drama Department. Linda and her cabinet of five did all the planning for Thespian-sponsored activities. Although drama did not perform a lot this year, what they did, they did well and went by the saying, "Quality, not quantity." Mr. Castiglione, known as Mr. "C," advised the Thespians and taught all drama classes. He retired at the end of this year, making a lot of students sad to see him leave.

"Play"-ful Performances

Thespians and drama students who were to put on the Children's show began practicing but the show never got started because of cast difficulties and the need for a piano player. There were about thirty people in Children's Show and after all the work they put into it, it's a shame the cast never got to perform for the children. "Lady and the Tramp" was what the title was going to be.

"Plaza Suite" was the last production for drama. It was a comedy with three one-act plays — all taking place in the same suite of a hotel at different times. "Plaza Suite" was quite humorous. Overall, drama had an interestingly fun year.

Singing and the King of Swing

"O" period choir classes woke-up all these singers to start the day in a musical way. At around 7:30 every morning (besides Sat. and Sun.) the choral room could be found filled with those who were interested in or belonged to the choir club. Singing, guitar-playing, and piano are all part of choir. It is well-taught by Mrs. Masner who has a lot of musical background and experience in choirs. The group held a breakfast for its own members and then had a carwash in October to raise money. During Christmas they held a program for the Elementary and Junior high schools. It was an enjoyable class and club and is hoped to again be a part of L.M.H.S., even though it was discontinued at semester. The President was Margie Heagney followed by her cabinet of Jen Warda as publicity chairman, Kathy Sanders as Sgt. at Arms, and Christy Guard as treasurer.

Most of La Mirada High really appreciated all the work and honors Mr. Bonebrake has brought to their school. He really knows what he's doing and has got what it takes to get a group of talented musicians together so well. The years 1976 and 1977 showed what a great 1st place Band L.M. has. Mr. "B" is very proud of them, and he should be. Another part of La Mirada's Band never seen at football games is the Jazz Band. They performed great music during basketball games and got the crowd to really rock out. The Jazz Band is known for their great music and ability.

Outrageous Music

Fantastic was the word for the 1976-77 La Mirada Marching Band under the clever direction of Mr. Rex Bonebrake. The band received one first place award after another in the many parades in which they participated. At Riverside the highest award of Music Sweepstakes was given to them, too. Two talented drum majors, Steve Vihlen and Dave Chapman also participated in competitions where they did very well.

During football, spectacular half-time performances will be well-remembered. The music played at basketball games was always popular with the theme of "Supers-tar." The Band was "outrageous" this year and was a big part of school spirit.

Organized Chaos

"Exciting", "Chaotic", "Demanding", "Catastrophic", these words didn't begin to describe the 1977 La Capa staff.

The staff started working on ideas during the summer. A lot of new concepts and techniques were introduced to Norma Estrada (editor) and Ellie Inbody (managing editor) during a five day seminar at Pepperdine University in Malibu. They in turn introduced the ideas to their staff of forty.

As the year progressed so did the yearbook. Each section worked hard to meet their deadline. The end result was the "Signs of the Changing Times". This theme related to the school as well as community, state, and nation.

Mr. Irving Marks advised the staff and was a great help when deadlines came close, and it seemed things couldn't possibly get done on time. But the hardworking staff always pulled through, and sure enough the La Capa came out a success. During the year, Mr. Marks was hospitalized, unfortunately, and yearbook classes were then helped out by Mrs. Parker. She put a lot of work into getting students on the move.

The 1977 is a yearbook that will be remembered by all and treasured for years to come.

Express Yourself

The only magazine written totally by the students of LaMirada was the Inside Out. The manuscripts the students turned in, which included poetry, essays, short stories, art, and photos, were all expressions of feelings, which was the theme of Inside Out. The members of the club selected the material to be put in the magazine. And, even though they were busy all year, they still had time for fun. Inside Out was a tight-knit group which had its share of good times along with Mrs. Jackson, the advisor.

The first and most important thing the El Toro Staff had pride in this year was their #1 newspaper, which was given the award for "Best Newspaper" in the district. The El Toro was so outstanding it received this district award two years in a row under the same editor-in-chief, Larry Zucker. Larry, a senior, was the first junior ever to be editor of our school paper. Mark Williams, also a senior, had been managing editor for two years and became editor second semester. They, along with a talented staff, gave El Toro the experience necessary for an excellent paper, which it was. The El Toro was based upon equal coverage for every activity and sport — thanks to such fair reporters.

ACADEMIC

Freshmen were required to obtain twenty additional units to graduate. More freshmen were admitted on the annual staff this year. La Mirada High School has new coaches: Mr. Di Mario, Mr. Babbo, Mr. Edge, and Mr. Mun-

roe. Controversy over busing to achieve racial integration in schools rages on. Annual staff and El Toro missed Mr. Marks while he was recuperating from an operation.

Doing Their Thing

The artistic talents of many La Mirada High School students have really come out this year, and with a showcase to display their arts and crafts, the students have shared their talents with many.

The arts and crafts, which range from string art to pottery and drawing, would not have been possible without the help of Mrs. Marianne Estes, Mr. David Brizic, Mr. Don Bruns and Mr. Robert Oskin, the arts and crafts teachers.

These teachers have furnished the students with supplies and guidance to expand their ability of creating.

The art students have used an assorted variety of ideas and have drawn and created their way from beginners, all the way to "experts."

Expressing Yourself

Writing, speaking, and acting are a few of the many things the students here at La Mirada are able to participate in.

Mr. Irving Marks, advisor of the Newspaper and Annual staff, has given some students a chance to put their ideas together and arrange them in this year's La Capa and El Toro.

For the people who are interested in acting, the Drama department gives an opportunity to show how much talent they have. This year the Drama class put on a show called, "The Prime of Mrs. Jean Brodie," and "Plaza Suite."

Mr. Gevirtzman and Ms. Kelly instruct classes to teach students how to talk in front of a group of people and use their abilities of speaking. Many of these students have gone on into competition.

Big Changes

A big change was brought to the Industrial Department this year. It was modernized and safety conditions were improved. At the start of school, it was not yet finished, but when the students returned from Christmas Vacation, they returned to a better and brighter Industrial Arts Department. This enabled the students to enjoy the classes offered with more enthusiasm. There was also a new class added to this department, amateur radio. In it Mr. Ed Hengler taught the student how to operate different types of radios.

Fact or Fiction?

The English Department is the largest on campus. Fourteen teachers taught college prep classes, fundamental studies, and other classes which were interesting and fun. Short Story and Contemporary Literature classes brought new enthusiasm to the students. Tales of Horror and Science Fiction were great classes which gave the opportunity to look at reality through hypothetical views. Creative Writing and literature classes involved the finding of individual expression.

There were many more kinds of English taught, to which the teachers all brought their own way of expression and way of bringing to La Mirada students the ability to express themselves and to appreciate the self-expression of others.

Home Is for All

The Home Economics Department is a place where boys learn to cook, and girls learn the basics of sewing. It's a place where anyone can learn to macrame, do leather crafts, or make jewelry.

In Bachelors Know How, Mrs. Charlotte Heagney teaches students to cook, learn to deal with household money, and improve other basic skills they may need in the future.

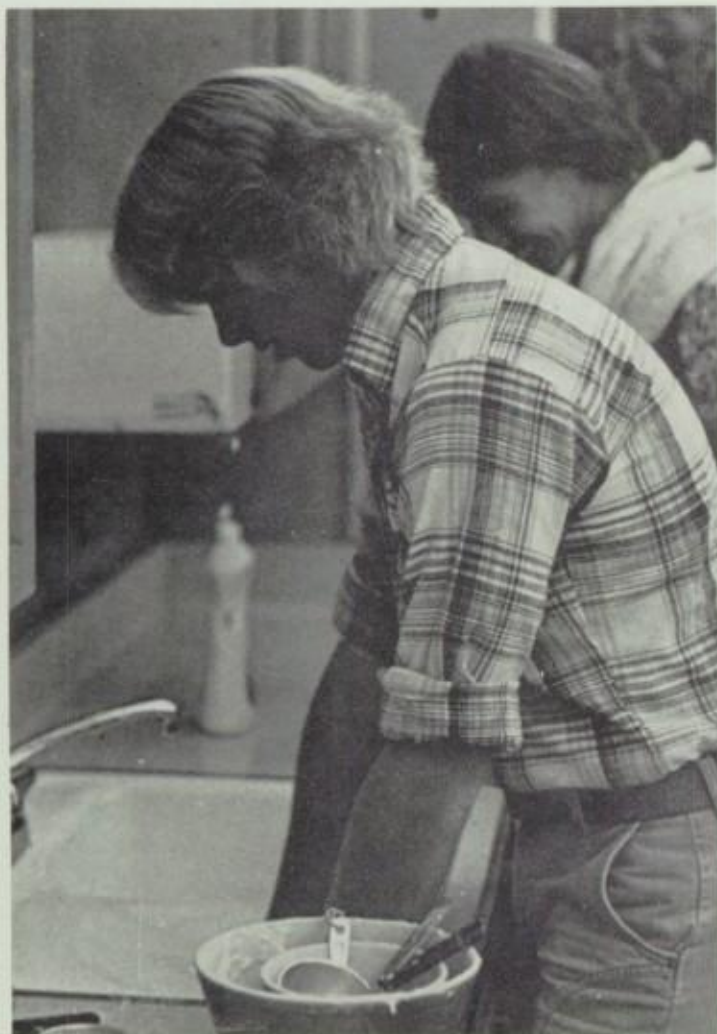

Mrs. Marianne Estes teaches her students the basics of sewing and helps them take pride in making their own clothing.

Mrs. Pegge Weber's Child Development class the students study the stages of the development of young children and how to apply the knowledge they gain in class for a better understanding of all children.

Creative Crafts and Foods are two more very interesting classes offered in the Home Economics Department.

Say It Anyway You Like

Student interest and involvement were the keys to this year's Foreign Language department. The classes available were French 1, 2, 3, German 1, 2, 3, 4, Latin 1, 2, 3, and Spanish 1, 2, 3, 4, and 5. The teachers were Mrs. Elisabeth Kenen, Mrs. Dortha Dinmore, Mrs. Alice Sizemore, Mrs. Linda Cistone, Mr. Thomas Everly, and Mr. Ed Hengler.

The first year students gained a background in the particular culture, and the basics of the language. The advanced students went deeper into grammar and vocabulary. Activities included quiz games, working in a language lab, and giving puppet shows.

Some of the more advanced students worked with their particular literature, while the lower class students worked mainly with structure and grammar.

Teachers hoped that renewed interest will make next year as successful as this year.

The Old and the New

For the first time at L.M.H.S. ten credits of reading were added to the freshman graduation requirements. This year's reading teachers were Mr. Don Munroe, Mr. John DiMario, Mr. John Hills, Mrs. Julie Masner, Mrs. Alice Sizemore, Mr. George Poteat, and reading advisor Mrs. Svata Louda.

The students were encouraged to read, and reports were written and quizzes given on the material. Students gained reading skills as well as good comprehension.

This year's math department consisted of Mr. Don Adams, Mr. Sherril Brown, Mr. Joseph Glascock, Mr. Raymond Norton, Mr. Thomas Steinbroner, and Mr. Ed Wilkins.

The classes offered ranged from calculus to fundamental math including geometry, algebra, and trigonometry.

Experimentation

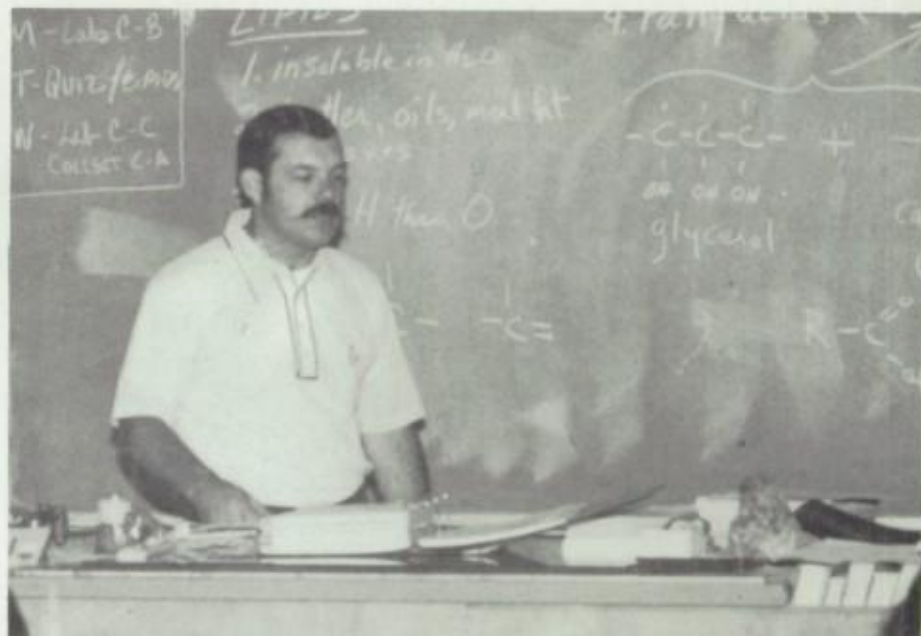

Experiments and exploring things are what science classes have done throughout the years.

Mr. Doll, Mr. Finnerty, Mr. Sims, Mr. Gardner, Mr. Magnusson have made science an exciting subject.

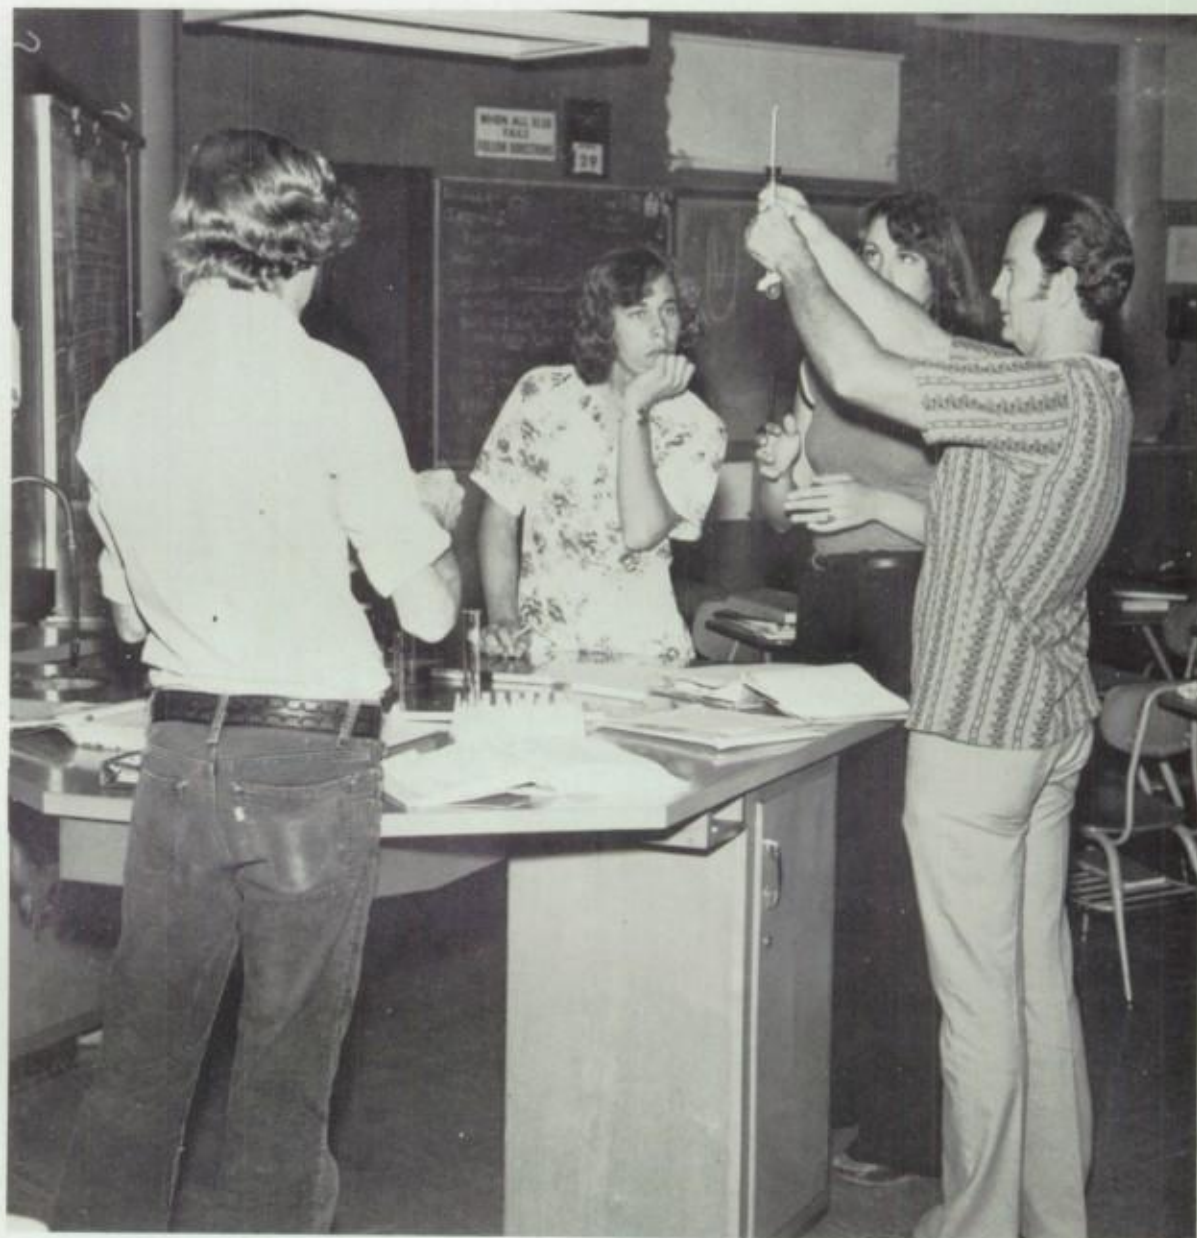

One of the experiments was dissecting frogs and worms.

Mr. Pritchard, Mr. Moore, Mr. Berberet, and Mr. Noble have worked hard to educate students in what is safe and in what is not safe.

In safety the students were told rules and instructions on saving a person's life. Some people had to do artificial respiration.

Exploring

Involvement was the word in the social science department. Teaching methods ranged from plays to term papers. One interesting play was on folklore. These plays gave students a chance to relive the past, so they know what it was really like.

Each teacher has done a great job on giving their students information about their studies. They made it interesting for everyone to hear.

The classes were to read books that their teacher passed out and to discuss what they read.

Social science was taught by Mr. Davis, Mr. Bonebrake, Mr. Stravrake, Mr. Simon, Mr. Lambeth, Mr. Jones, Mr. Rice, Mrs. Littrell, Mr. Lewinson, and Mr. Sims.

Equal Opportunity Rights

Equal Opportunity Rights have now moved to the physical education department. All classes, with the exception of the freshman class, are now CO-ED. This enabled the boys to take, if they desired, modern dance and other P.E. courses which had not been offered to them in the past. It also enabled the girls to take weightlifting and other courses never offered to them before.

P.E. teachers emphasized discipline, good attendance, and character development along with fun and good sportsmanship.

Preparation for the Future

For students interested in entering the business world, the business department offered various courses to prepare students. Accounting, shorthand, typing and office lab, are all good courses that teach helpful skills. As long as businesses are around, there will be a need for secretaries, bookkeepers, and accountants.

For students interested in learning a vocational skill or trade, Mr. Tona, head of the Regional Occupation Program (R.O.P.) Department was always there to help. Mr. Tona helped find jobs. Students also received school credits for the time worked. Most R.O.P. classes were off-campus. They were either held at other schools, or at actual work sites.

Backbone of the School

Goals for this year were set high by our school administrators. Most of these goals were successfully accomplished. The Industrial Arts Department was rebuilt, it was modernized, and safety conditions were improved. New equipment was bought for the physical education department, and the campus was cleaned-up. New black top was laid, and buildings around the quad were painted. One of the highest goals set was for the school to have one of the best systems, academically. The administrators were always setting goals to better the school, for the students as well as the teachers.

The School Board took a big part in reaching these goals. The board made the budget for the district, which enabled the staff to buy new equipment and improve the school.

Behind the Scene

Serving nutritious and appetizing food to over a thousand students and faculty daily from the student and faculty cafeterias and snack area was a fulltime task each day for the cafeteria workers, who accomplished it with warmth and friendliness. The custodial staff spearheaded a drive to clean up the campus and remove grafitti. Under their direction the campus was more sparkling and clean than it has been in years.

Counselors were concerned with more than just program changes as they dealt with the whole child and all of his problems. Solving social and psychological individual needs as well as planning futures took up each day for La Mirada's staff of skilled counselors.

Performing in the Mission Valley League proved successful for the La Mirada Varsity Football Team. L.M.H.S. started their action with a few bad breaks. Mike McClannahan, starting fullback, was out for the season with a knee injury.

Beginning pre-season with "Little Brother," L.M. remained on top with a 7-6 win over Neff. Not able to hold the Mater Dei offense L.M. suffered a loss of 14-0. L.M. turned out the Knight light, defeating Lynwood, 13-8. The Blue and Gold suffered their second loss, losing to Los Rancho, 28-14.

La Mirada had worked many hours to make up for injuries, but the Big Blue Machine was ready for league action.

Big Blue Goes Far

The Big Blue Machine started their season with an exciting Homecoming Game. To show all the old and new fans just what they could do, L.M. dominated the Mt. View Vikings by a big score of 34-0.

Next game was with the Schurr Spartans. This proved to be an outstanding defensive battle, with the Matadores outlasting the Spartans, 7-2, raising their league record to 2-0.

All was going well until the Matadores were up against the tough Monrovia Wildcats. Monrovia took advantage of L.M.'s mistakes and proved their ability beating 57-6.

Still in contention for the CIF play-offs, the Blue and Gold faced the Keppel Aztecs. The game looked very promising until the last few seconds, Keppel came back and outscored the Matadores, 13-7.

The Mighty Matadores, in their last league game were able to bring home a big win against the Arroyo Knights, 21-0. Helped by their fine defense, running back Steve Gerson was able to rush for more than two hundred yards, breaking personal and school records.

L.M.'s Got the Edge!

Well all wasn't over yet. Their hopes rested on the fate of a coin toss. Big Blue entered into the C.I.F. playoffs. Their first game was against the Mira Costa Mustangs. We had the talent and desire but couldn't get it together that night, losing 27-8.

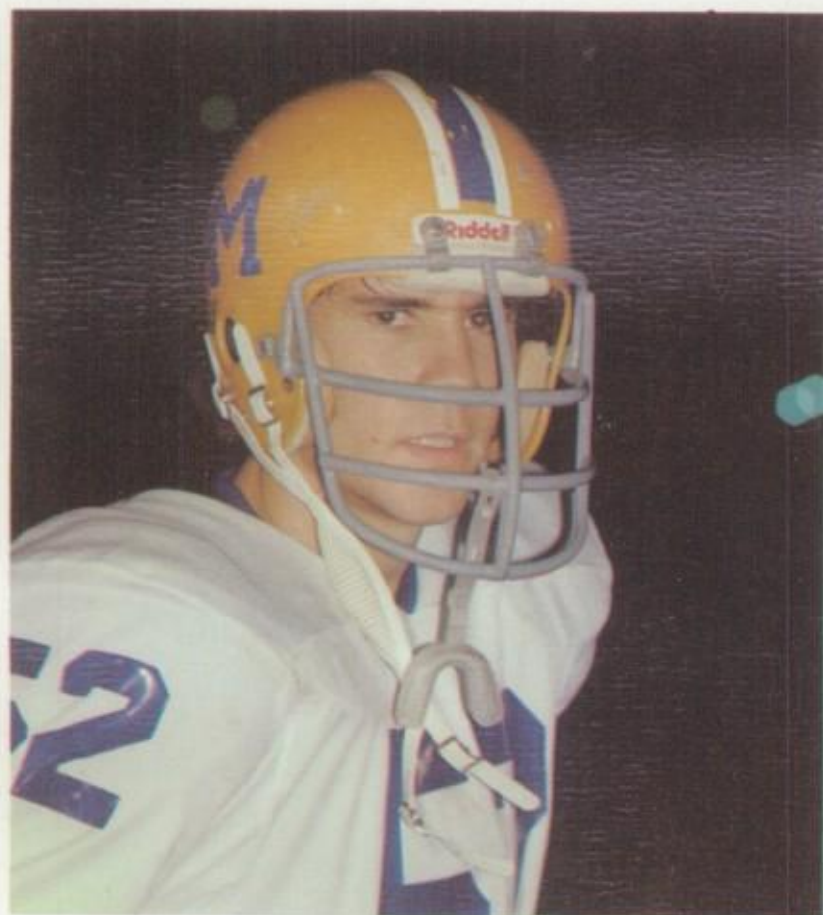

Coaches from all the schools in the league were very impressed by L.M.'s outstanding players, as shown in the league selections. Making first team offense were Steve Gerson, Running Back; Bob Kurz, Tight End; Kirk Sladen, Kicker. Second Team selections for offense were: Dave Kirk, Center; Mark Bargmen, Guard; Steve Collett, Tackle and Ron Vogel, Split Receiver. Defense were: Steve Gerson and Ron Vogel Backs, Bob Kurz, End and Randy Howitt, Linebacker.

To top the year off were the team awards, which the team votes on themselves. Co-Captains were Craig Cosby and Bob Kurz; Rookie of the Year, Jim Lineberger; Coaches Award, Joe Castenada; Most Inspirational, Dave Kirk; Scholastic Award, Ed Naudin; Lineman of the Year, Randy Howitt; Back of the Year and Most Valuable Player was awarded to Steve Gerson.

Congratulations to all the players and the 1976 coaching staff. The Matadores had very much to be proud of this year and a very proud school backing them up All the Way.

Concentration and execution were the themes of the J.V. Football Team, under the leadership of coaches Tom Edge, Wayne Tedder, John Babbo and Mark Carrick.

The J.V.'s had a strong defense and an offense that could move the ball. L.M. did very well in league with a second place record of 4 and 1. J.V.'s offense was led by running back Gary Poole and future varsity players, Rick Nunley and Rick Finch, did an outstanding job on defense.

A big asset to the J.V.'s success was the new procedures, giving J.V.'s a chance to practice with the varsity team. Many J.V.'s had a chance to dress out in a Varsity game, giving each player an opportunity to part in varsity action.

Sports Show Changes

There were many signs of the changing times in the field of athletics at La Mirada. Reshuffled into a new league, the Mission Valley League, with five other teams from far-distant Rosemead-Alhambra schools, a loss was of far more importance as was a win, because of the smaller league. Part of the changed schedule was the factor of only two home games in league play.

New coaches Tom Edge, John Babbo, Mark Carrick, and Wayne Tedder instituted a new regime with strong defense and an imaginative offense designed to overcome a small squad and a rash of injuries.

Other changes were reflected in the all-out participation of the fairer sex in the athletic endeavors of the Matadores in compliance with a policy of equality. This policy was seen in physical education classes which were all now co-educational. Girls flocked to participate in C.I.F. competition in all sports.

Track and cross country also reflected change when former coach Don Munroe returned to tutor competitors in those events.

Strive for the Top Number 2 Won't Do!

Sophomore teams having a very successful season, show strong and ready varsity players for the future.

Coached by Jim Sims and Terry Janke, the sophomore team executed timing and ability throughout the entire season. A strong asset to the team was their powerful passing accuracy by Quarterback Russ Jensen.

Spirit and confidence in themselves led the sophomore team in becoming Mission Valley League Champs with a season record of 4-1.

Teamwork Works!

The Varsity volleyballers were league champions with an 8-2 record. Coached by Mrs. Chris Freeman, the Varsity Volleyball team worked hard and their many hours of practice proved very successful. As C.I.F. contenders the Volleyball team kept up their spirits with the teamwork which got them into the playoffs.

Togetherness, teamwork, and the guidance of a good coach were the answers to the success of the Girls' Varsity Volleyball team.

Thinking Makes It

"Positive Mental Attitude." These three words were the sign posts by which the girls' Varsity Tennis team guided their success this year.

Coached by Mrs. Nancy Reclusado, the girls started their preseason slowly, but when the action of league started, they were ready. With a season record of 6-4, the girls earned a third place in the new Mission Valley League. But there was more than just a new league for tennis. The girls played round-robin matches giving all three singles and doubles a chance to have more play and a chance to work on skills with more girls.

The girls' greatest asset was being confident in themselves that they could win, and they did just that.

Running Hard With Great Potential

This year's Cross Country team was a definite improvement over last year's. Although they couldn't boost their win-loss record, they could talk about their individual improvements. Once again, Steve Brown showed his superiority by winning the L.M.-Schurr Frosh-Soph meet, and L.M. vs. Monrovia Varsity. Marsha Pierce also showed her talent, winning the girls' district meet.

This year's outstanding varsity runners were Derek DeWindt, Chris Schaal, and Steve Brown. Outstanding J.V.'s were Blane Bario, Victor O'Campo, Dave De Boer, and Jim Rodrigues. The Frosh-Soph team also ran well with Mike Estrada, Vince Rojas, Larry Peak, and Clint Songer as top runners. New coach Don Monroe felt that the team had great potential for the coming years, and maybe that the team would make C.I.F. next year.

Good Future

Keeping a positive attitude was one of the factors that helped the junior varsity tennis team to be a success. The team reached their goals by keeping an optimistic state of mind. These girls worked for long hours practicing and striving for perfection. In the end they realized all their work was worthwhile.

Under the coaching of Mrs. Dorothy Seaward, the junior varsity tennis team had a very successful season. The outstanding doubles team was Robin Johnson and Kim Boeskin. The spotlight for singles was shared by many. The team ended their season with a record of 5-5.

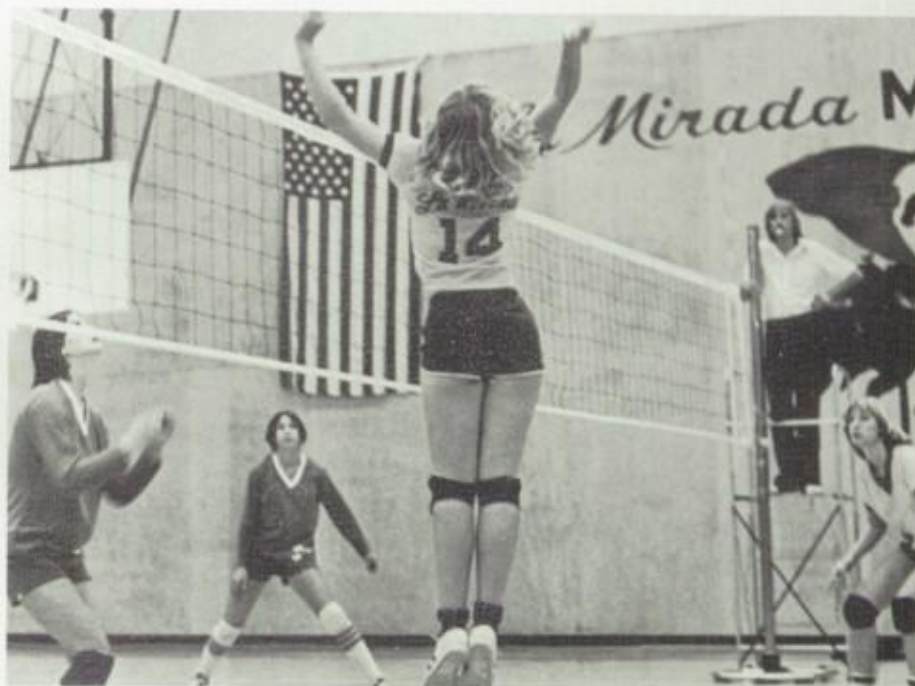

The junior varsity volleyball team worked hard. They were a talented group and were great competitors. The team had a successful season under the coaching of Lynn Crist. Lynn was very proud of the team. Their future as varsity volleyball players looks good. They had an outstanding record of 7-3.

Hoopsters Begin Big

After a superior pre-season with a 12-3 record the Matadores were ready for league action with expectations of gaining a spot in the C.I.F. play-offs.

The opening game for the Matadores was at Monrovia where the Wildcats were able to skin by with a 26-28 win. The Big Blue Machine then went to Mountain View, relaxed through the game, while topping the Vikings, 76-49. Next the Matadores hosted Mark Kepp, setting Kepp back, winning 64-52. La Mirada's next victims were the tough Schurr Spartans. The Matadores led Schurr the entire game taking a 59-44 win. In the last game of the first round, La Mirada dribbled past Arroyo with a 52-36 win.

Going Again

Starting the second round of league play the Matadores' record was 4-1. Another big game for the Matadores was Monrovia, as the score was never dominated by either team. The Wildcats quickly scored three points in the last few seconds topping La Mirada 60-63. Another home game for the Matadores as they added one more win to their record beating Mountain View 71-49. This was the second game where Jeff Brewer had a game total of 33 points. La Mirada at home was able to knock out Keppel with a 75-58 win. An important game for the Matadores was Schurr, as the Matadores were able to squeeze by in the last five seconds with a 45-44 win. La Mirada already had clenched a spot in the C.I.F. playoffs, but really wanted this win. Over-powering the Knights, the Matadores ended league action with a big 43-21 win.

Eager and ready for C.I.F. action the Matadores were set to play South Torrance. It didn't look too good at the half for the good guys, but they soon pulled through. Jerry Hernandez with a very fine game scoring 21 points, shot a free throw for two in the last few seconds, giving La Mirada their first C.I.F. victory, 61-60. Next the Matadores were paired against Downey. The Vikings ended the Matadores' dream of a C.I.F. championship winning 72-56.

Two Matadore players were awarded all-league honors: Jeff Brewer, M.V.L. Most Valuable Player; Aristotle Meyers, All-League second team; and Jerry Hernandez, who was awarded Honorable Mention.

J.V. Cagers Do Well

The junior varsity basketball team showed a lot of determination and courage this year, always trying to do a better job. They took fourth place in league play with Jim Harrison and Bruce Buetel leading the team to an outstanding job. The experience and improvement gained through the fine coaching of Mr. Mick Finnerty will show as these players continue on as Varsity players in the future.

Underclass Hoopsters Show Promise

The sophomore basketball team had a very successful season this year with the help of Coach Jim Boyd. They were 7-3 in league and 14-7 overall. The sophomore team was led by a big center, Gilbert Goodman, and forward Brad Schormack.

La Mirada's sophomore basketball team gave a demonstration to the Mission Valley League on how to put it all together completing a league record of 7-3. A fine coaching job by Jim Boyd, in his second year, captured 2nd place in league play. With the help of Brad Schornack, Gilbert Goodman, and Jeff Boeger, and the play of Robert Sperling, Jack Powell and Jeff Monge the sophs did well. Jim Boyd emphasized teamwork and good defense.

This was one of La Mirada's better sophomore teams. This year's freshman basketball stressed player development. A lot of potential was developed. Some of the future stars were Mike Rice, Jim Turner, and David Revnak. The frosh were led by Coach Steve Jones with a record 1-9.

Off to a Good Start

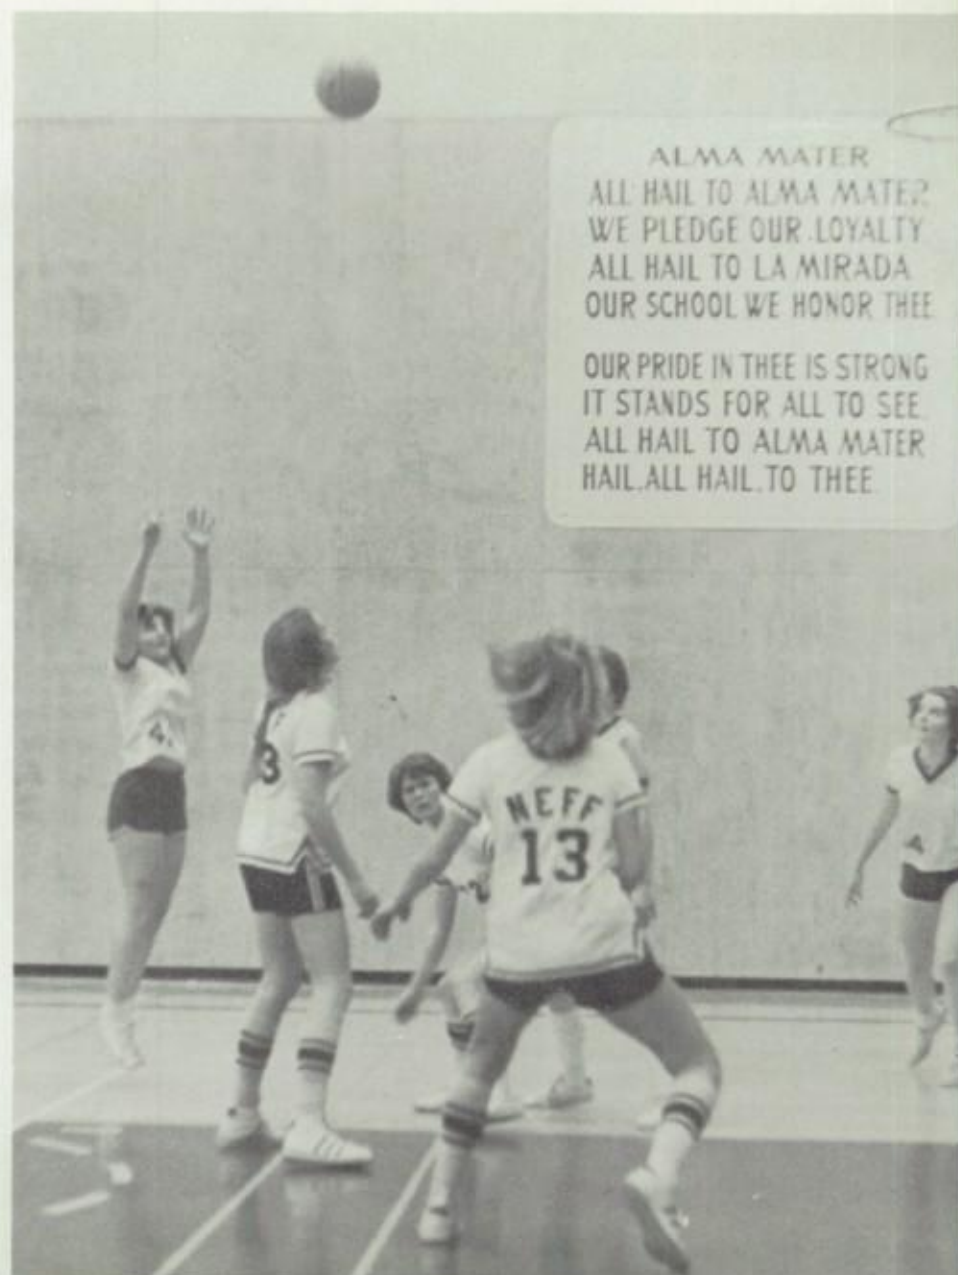

This year's girls' basketball team started off with a bang! With five returning varsity players the team breezed through the pre-season with a 6-1 record. The next step for the girls was the new Mission Valley League.

Under excellent coaching by Miss Carrie McMahan, the girls started their way through a victorious season.

Together, the Kretschmar duet, Rita Harrington, Mary Beth West and Cissy Espinosa proved once again to be C.I.F. bound. The rest of the team did a fantastic job backing up the starters.

Batmen Do It Again for L.M.

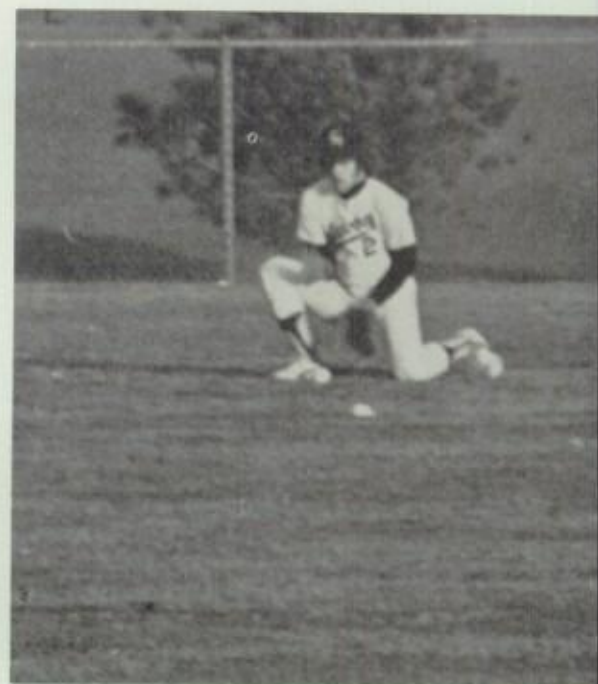

The 1977 baseball season started off with a large number of participants which later became the La Mirada Varsity Baseball team. The Varsity baseball team entered their first year of play in the Mission Valley League.

Every member of the team showed skill, talent and experience on and off the field.

With robust speed and aggressiveness on the bases, Steve Gerson and Russ Frieson displayed their talent.

Defense played a large part of the Matadores' success due to the precise play of Jim Lineberger and John Carrelli sharing the spot of catcher; Steve Barrett, shortstop; Ken Eubanks, first base; and Dennis Mendoza, right field. The pitcher's mound being the center of strength, Tracy Torres, Steve Needham, Dave Kirk, Dennis Mendoza, Don Benedito and Steve Foreman showed consistency on the mound.

The Matadores, always showing a close unity along with a great winning spirit, demonstrated excellence to the standing coaching staff of Coach Wayne Tedder, Coach Ken Camacho, and Coach Mick Finnerty.

Horsehide Future Is Now

The junior varsity baseball team was strong both offensively and defensively, with an excellent coaching staff, talented players, and a winning spirit. The team shows hope for the next year's varsity baseball team. The team was very aggressive on bases and showed a lot of speed.

This year's freshmen team showed talent and experience. The freshmen looked very promising, demonstrating great potential toward the time when they become varsity players. The team had outstanding pitching ability, speed on the bases, and team unity.

Both teams made goals for success at the beginning of their seasons. These goals were met by constant effort and dedication. The future of baseball looks very promising for La Mirada.

Off to a Track Record

The varsity tracksters started out pre-season this year very impressively with a 3-2 record. This was not a true indication of the Matadores' ability as they were beaten only once decisively.

In the annual Neff-La Mirada track meet, the Matadores decisively did away with the Trojans. In a single sweep, La Mirada also defeated Norwalk and La Sema, in a tri-school meet. Norwalk never had a chance, as they were blown out by a timeless Matadore team. Next came a heartbreak loss as Los Anigoes squeaked by La Mirada by 4 points.

Some notable standouts on the Varsity team were Steve Vilhen in the high hurdles, Tom Dixon in the sprints, and Dennis Mitchell, who is destined to set a school record in the pole vault.

According to Coach Don Munroe and Tom Edge, the tracksters have great potential, and they predicted a Matadore finish in the top three in the tough Mission Valley League.

Track Neophytes

The Freshman / Sophomore track team had a pre-season record of 1-4, but they showed great potential for league. Some of the outstanding members of the team were distance runner Cleon Jones and Mike Vogt in the high jump.

Girls' track came a long way from the previous year by acquiring their own coach, Jesus Penilla, and advanced from a team of five girls last year, to a team of twenty this year. Their record was 2-2 with victories over Neff and Los Amigos and losses to Bellflower and La Serna. Some outstanding members were Norma Estrada, Deborah Jackson, and Carol Fosmire in the 440, and in both the 440 and 220 was Cathy McDougall. In the mile run and mile-and-a-half run, Marsha Pierce did exceptionally well.

Net Results: Success

This year's tennis team showed the Mission Valley League their talent on the court. Under the coaching of Mr. Steve Jones, the mighty racqueteers were quick and aggressive on the court.

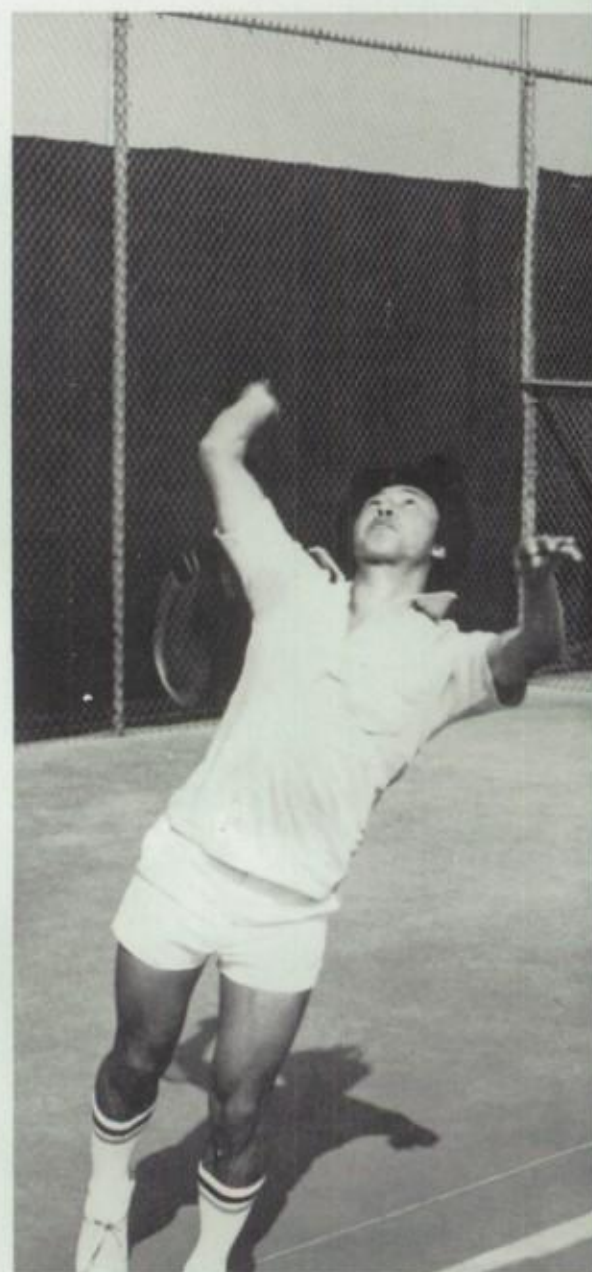

Sophomore Tim Giller, junior John Hammergren, and senior Randy Gerson were some of the individual stand-outs on the team. The team had concentration and quickness which were essential to winning matches.

Tee Party Continues

The Varsity Golf Team started off their season by beating Mark Keppel 423-451. This was followed by a victory over Muir, 247-261. This winning streak continued through most of the season. Among the outstanding golfers were Steve Atkins and Gary Vaudreul.

The golf team entered the Pacific Mission Valley League with an optimistic attitude. Coach Don Berberet was thankful to the parents and the administration for working to raise funds to keep the golf program at La Mirada High after limited funds threatened its existence.

This year La Mirada High can be very proud of its J.V. tennis team. Under the super coaching of Mr. Joe Glascock, the J.V. team was able to go far. Many players will be Varsity stars of next year.

After an excellent pre-season the J.V.'s were ready to face the Mission Valley League. With great concentration and constant consistency the J.V. team did very well.

Softballers Show Power

The girls' varsity softball team competed in their first season in the Mission Valley League under the tutelage of Mrs. Nancy Reclusado. The team had extra power needed to score runs and win games. The varsity seniors, were powerful hitters and very aggressive on bases.

The junior varsity team showed talent on the baseball diamond as well. The team had the spirit and talent needed to win games, which they did. The team shows great promise for the future softball players of La Mirada.

A senior class has four years of memories to look back upon as the year draws to a close. Those of the final year are the nearest and the warmest to their hearts; homecoming; the hard work on the float; the ordering of senior announcements; the changes that took place in our lives as we crossed that invisible barrier between adolescence and maturity; but in the forefront of memory for those who were most active in the affairs of the Class of '77 were those adults who gave of themselves, their time and their friendship, to help accomplish all the other memories: Mr. Berklite, Mr. Doll, Mr. Korzen, and Mr. and Mrs. Rose. By their examples they have helped to shape the kind of adults the Class of '77 was to become.

Emotion and Pride Mark the End of Four Years

1. With much emotion, 75-76 Queen, Bev Wisnewski ends her reign by giving up her crown to 76-77 Queen, Donna Hotra.
2. When they were sophomores, the senior class took a first place with much pride.
3. As freshmen, the class of 77 took last place in float building, but it didn't stop the spirit from growing.
4. As juniors, the class of 77 celebrated the Bicentennial year and took a second place.
5. Each year float meetings drew a small percentage of the class of 77. Here are a few familiar faces who helped during the years.
6. A disappointing second place didn't stop the senior class from looking forward to the following Homecoming dance.
7. Queen Donna Hotra crowns Mike McClanahan King, as Dan Murayama looks on.

La Mirada — You've Changed Us — We've Grown and Matured

As freshmen we entered LMHS thinking that 1977 was so far away.

Well, it's finally here and many of us have found ourselves in everchanging situations, sharing much happiness and sadness.

Many have shared experiences together; others have chosen to explore on their own.

Looking back we see how much we've grown. Time has changed many things, but nothing can ever change how we have spent our four years at LMHS.

7

Everyone Doing Their Thing

Students used their breaks between classes not only for nutrition, but also for socializing and participating in pep rallies and contests. Activities at snack and lunch provided students with a chance to get involved and have fun.

Togetherness

We soar high, we work hard,
We are always on our guard;
The school days come — the school days go,
And still we have not much to show.
But what we have is spirit and pride
And that is something we can't hide.
This pride of ours is very great
We are the class of '78!"

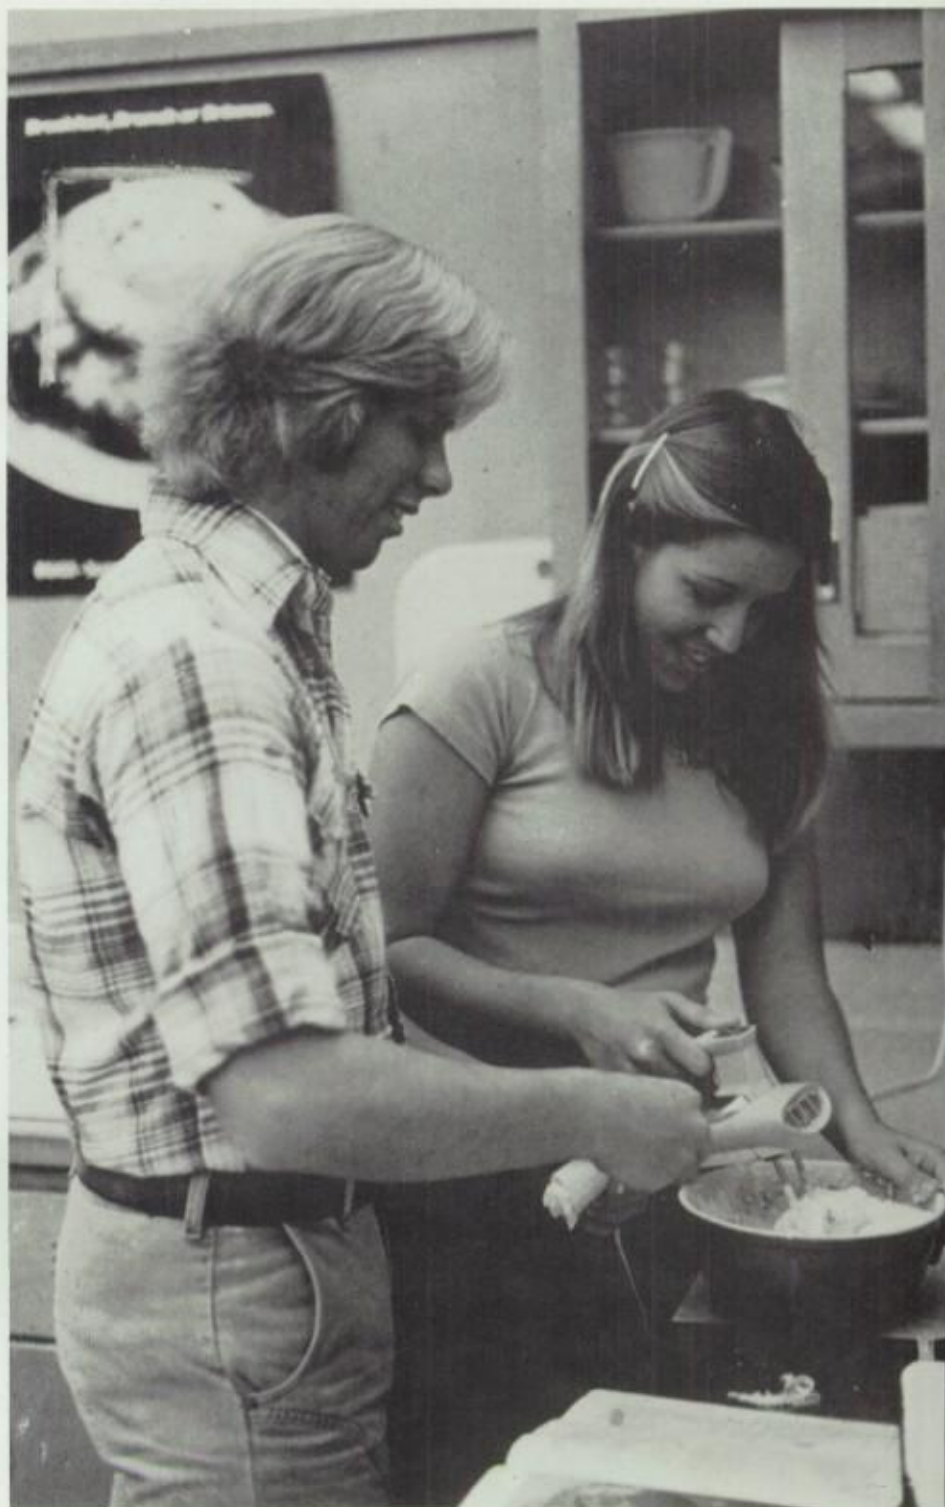

by David Van Ramshorst

This spirit and determination won the Junior class float first place at the homecoming football game and provided the class of '78 with a great sense of unity. They not only work well as a group, but are outstanding as individuals.

Every student has his own special accomplishments they have made. But, there are several members of the Junior class who stand out in our eyes as being especially outstanding. One of these students is Marsha Pierce, the first girl to to get a boys' varsity letter in track. In her sophomore year, Marsha was the only girl on the cross country track team, and she distinguished herself further by placing sixth in the CIF preliminary finals. This year she was undefeated in the suburban league.

Steve Vihlen is another truly unique junior. Not only was he our drum major this year, but he also won a varsity letter in track. He owns a pilot's license and has also traveled all over the world.

Norma Estrada is another junior whose accomplishments have earned her the respect of everyone she knows. This year she did a tremendous job as the editor of the Yearbook, a job that normally goes to a senior. Norma also played varsity tennis making second team in all-league finals with her partner Laurie Ashley.

Maturity

Being the class of '79
Is a lot of work, but suits us fine.

We strive to get all the knowledge we can
From La Mirada, our school so grand.

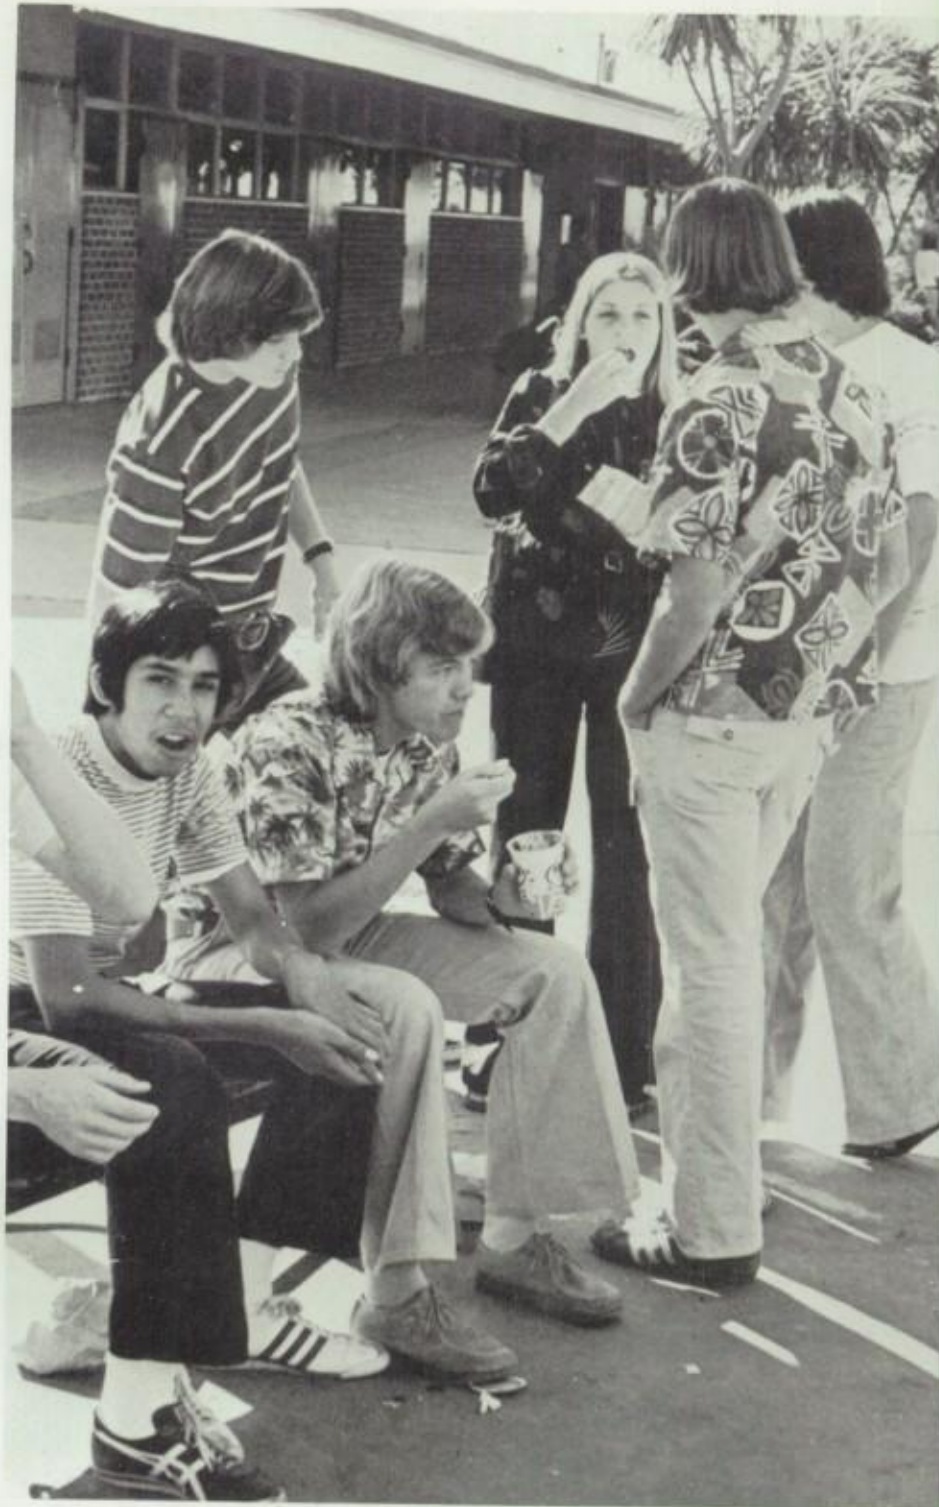

Although it seems like such a long time
Until the year of '79,

Truthfully, we do not care
Because we know we're half way there!!

In their sophomore year, the class of '79 advanced one more step up the ladder of maturity. No longer fresh and new to La Mirada, the sophomores' carefree attitudes began changing. They began looking ahead and seriously considering their futures as young men and women.

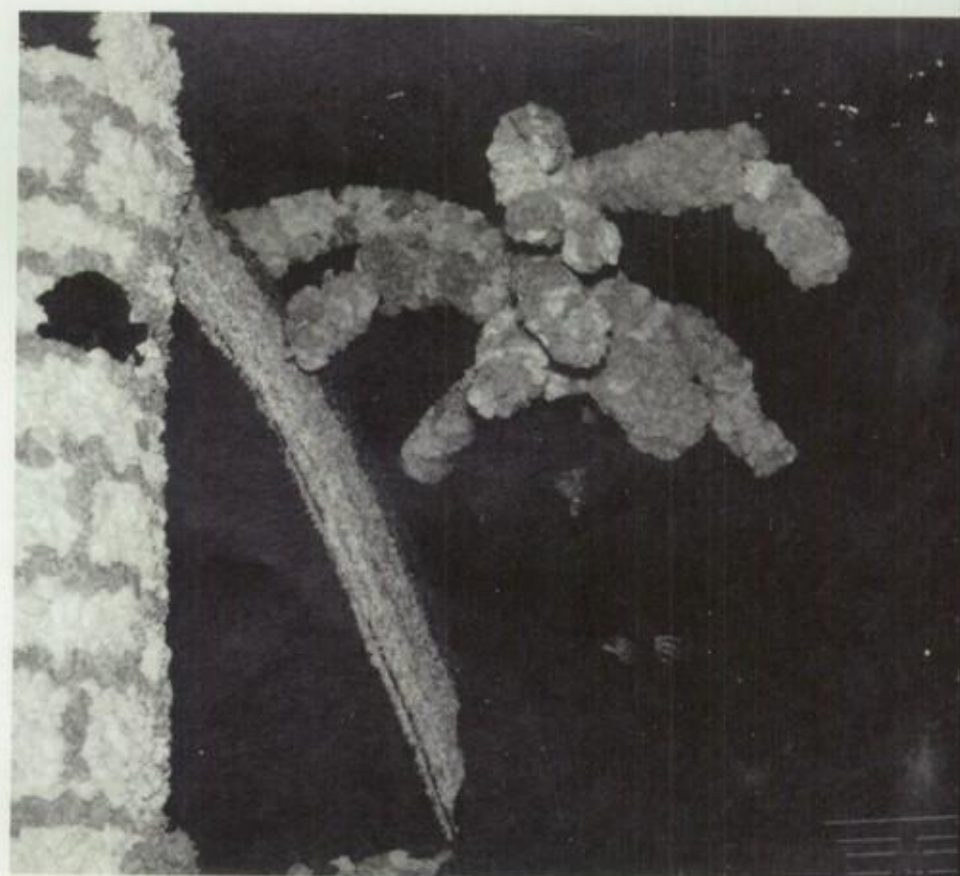

Their elected leaders, Ana Sanchez, Kellie Romine, Teri Lewis, Lorry Garcia, Madeline Manriquez, Tammy Cooley, and John Rubio did a great job of giving their class a sense of pride, spirit, and involvement.

With two years down and only two more to go, the spirit of '79 will live on.

Schemes

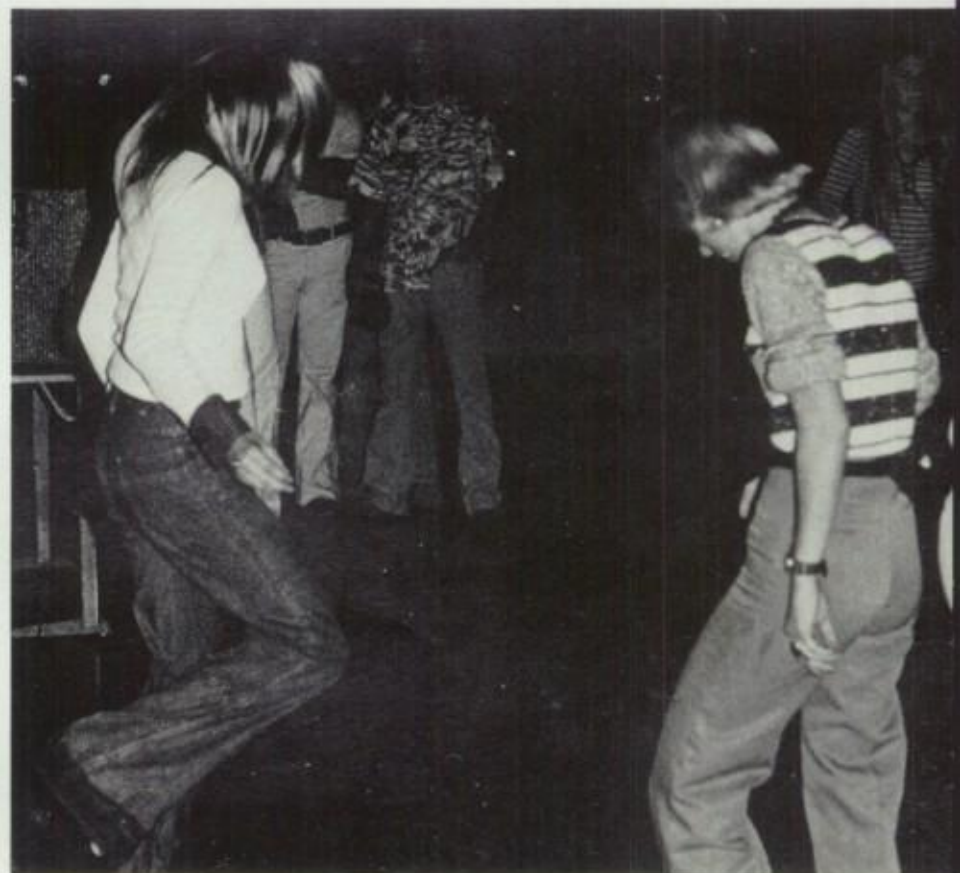

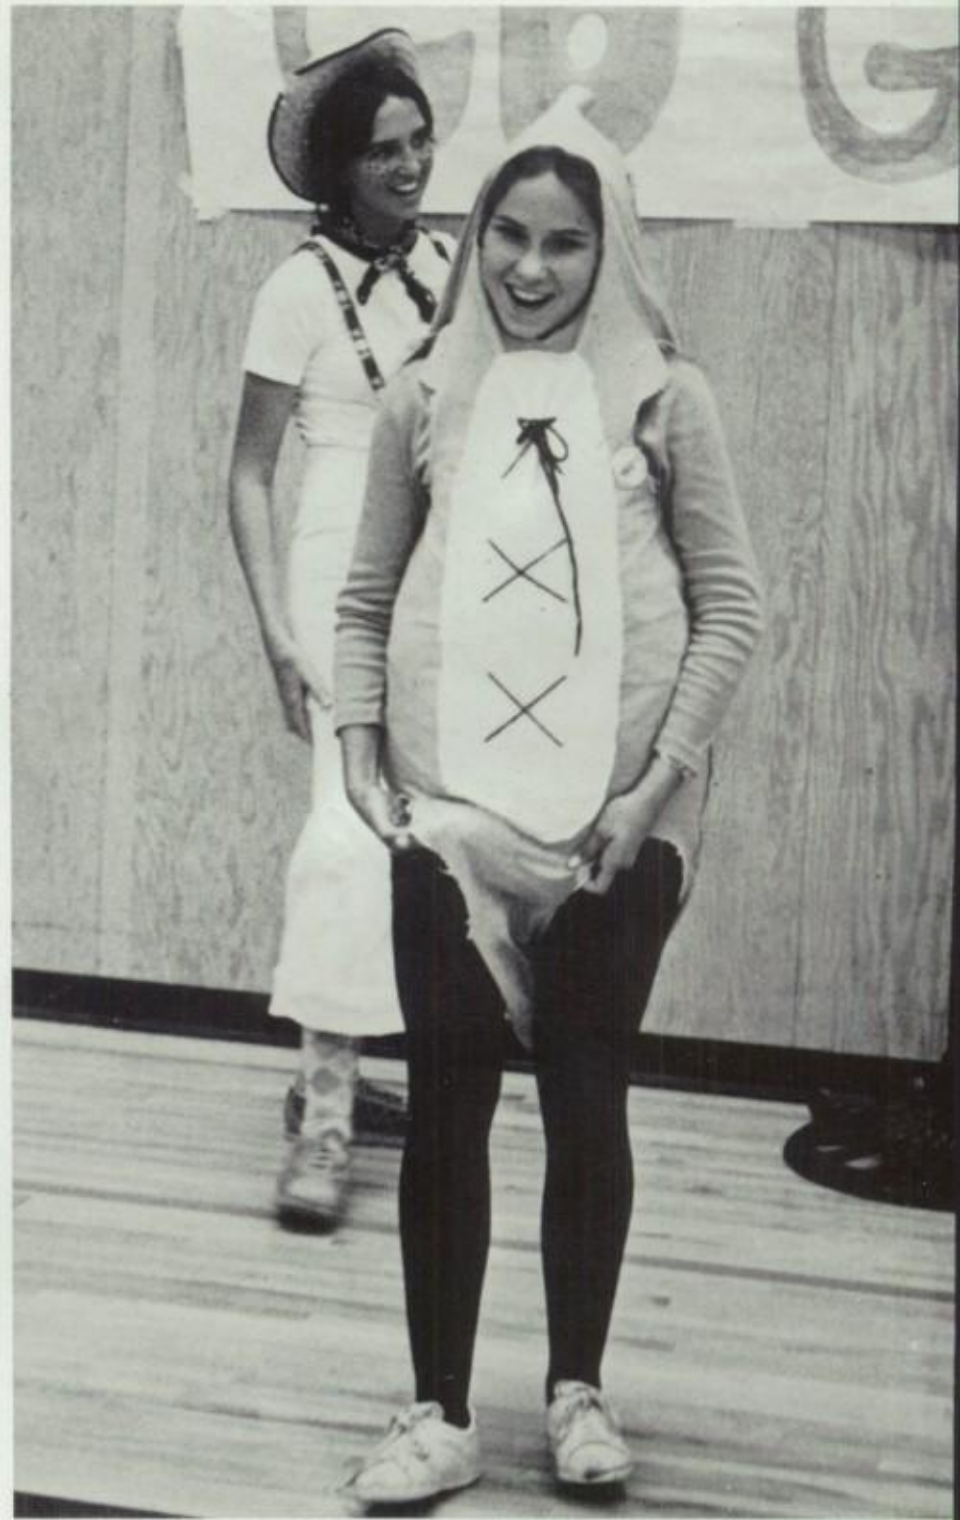

The Class Of '80

We have some hope
And have some plans
But mostly schemes
And crazy dreams.

We do our best
Just like the rest
With pride in Big Blue
Although we're still new.

By
Lillian Machado

This summarizes the feelings of the class of 80. Though new to the school they showed their spirit as they supported their school at pep rallies and games. They came from different Jr. Highs and united as one here at La Mirada High. The freshmen struggled hard to prove that they could do as well as their upper classmen, and come out with flying colors.

ADS

Private enterprise in the U.S. depended more on advertising through newspapers, magazines, radio, and television. A minute of advertising on Super Bowl XI sold for

\$100,000. In La Capa, merchants contributed their support to the LMHS student body with paid ads. In return, they asked only that students support their businesses.

Oh my,
Without you
in German things
could have gotten a little
boring well heck its fact
they would have
gotten a ~~lot~~ more
than a little
~~more~~ boring
I wouldn't have
been able to stand it.
I especially liked it when you
brought in 'Fred'. See ya next
year and have a nice

THE FUTURE

Change is an inevitable sign of the human condition. No one steps in the same stream twice. The human body changes its cells completely every seven years, and we are never the same again. We grow and change and the signs of the those changes are on us forever. A sign of our change is our high school diploma, which signifies that changing condition. With a diploma in hand we step forth from La Mirada High School into a world whose signs of change are a whirlpool of bewildering shocks. If any of us is equipped to deal with such a world, if we are able to go on and cause changes for the better, the signs will proclaim that our four years at La Mirada contributed to those abilities.

A cap and gown, shoulders thrown back with pride in accomplishment, smiles of confidence in a world that can change; these are signs of the changing times.

IS NOW...

Sheryl:
 Hasn't been fun this year? It's been fun having you in my classes this year. I hope we have some classes together next year. I'll see you great year. (probably before then since you live right up the street.)
 Love, Tonia Satahino

Sheryl:
 God I can't even believe that this year has come to an end but I hope a new year will. Good friendship to you for every year luck that you will. Good luck that you for like. Good luck that the summer call me during the beach we'll hit it always say

Sheryl, Hi
 we had a lot of fun knowing you even if I known hope to see you in the summer for about 3 years.
 If we go to Europe next year I know we'll have a lot of fun. Have a great summer and maybe I can meet you at a party and talk about good things
 Love, Diane Denny

Sheryl,
 It's been fun having you in my German class we had fun. I wish you lots luck next year. See ya sometime
 Sheryl, sometimes I've known you for about 4 yrs. now and I've always thought you were really nice. Remember Vince? Good old Vince. Oh well, I guess we all have our times. We had a lot of fun talking in photo too. Have a great summer & I'll see you next year. Love Lori "77"

Sheryl
I even thought I met
you one year ago in
the house where you
were living at the time
you were in the hospital.
I hope we can meet again
one day.

I love,
Marian

at me summer
hope

Love,
Marian

Sheryl,
to bad we didn't talk
very much you are a
real cute girl and a super
person I wish we could
do everything all over
again.

Lin Sheng,
and your glad we
hope to meet you
again.

Sheryl,
 you're got a lot
 going for you so
 don't take any shit from
 anyone. Besides being a very
 sweet person you're also very
 cute. Take good care of yourself and
 I hope we see each other later.
 Love ya,
 Mark Leach

Sheryl,
 you really are a good looking
 girl. You've probably been asked
 out by more ~~girls~~ guys (coops) than
 Farrah Fawcett. Hoot Bally I,
 really have enjoyed knowing
 you.
 I'll see ya later

Sheryl,
 it was great
 knowing you such a nice and
 great looking chick. I can see
 you in a summer of love
 love Amy

Sheryl,
 really enjoy your fun person-
 ility in photo this last year.
 I really had a lot fun.
 Love Jerry

Sheryl,
 It is really a privilege to sign
 your book coz you're such a fox and really
 mean that! But sometimes you get me jealous
 coz I see ya with other guys. I'll have to
 stay by a couple of times this summer
 and a you know what ever!
 So don't forget me next year coz
 I want to see you!
 See you this
 Summer
 Love Always
 John
 Gallagher

Sheryl,
 you are a girl who is really
 nice or sweet to everyone.
 I know I don't know
 you much but you seem
 like a nice gal. Have fun
 in the summer. And
 I hope to see ya
 next year.

RULES

Sheryl,
 you're a really nice person
 and I hope to see you
 next year. Love ya
 Amy

Sheryl,
 It was really great meeting you this year. I wish I could have
 got to know you a lot better. You have got to be one of the
 nicest girls I met this year. I wish you the best of luck
 in the future. HAVE a good time.
 Love you Always,
 Dave Hall *

Sheryl,
 This has been a really great year
 I got through my pushman year with
 the help of my "Sopomore" friends. Remember
 the moral support you gave me to ask
 Steve to heart to flowers? Thank I feel
 bad I ever mentioned it cuz you guys
 got together, well all I can say is
 please stay sweet & have a
 really great summer.
 Love Always,
 P.S. Call me same (Dave)

TO SHeryl,
 I'm glad I got
 to know you this year.
 IT HAS BEEN GREAT HAVING
 you in my biology class
 hope you have a great
 summer. Jeff Mills

Sheryl,
 Photo class wouldn't be
 the same without you.
 you really are cute
 and have a great
 personality. I hope
 the next 2 years will
 be good to you. Be
 sure to make it your
 best 2 years cuz they
 only happen once.
 Good luck, happiness
 & success in all your
 future endeavors.

Sheryl,
 It's been really great knowing you the
 past 2 years and I hope we'll become better
 friends in the years to come. I think you're
 cute & really nice and I know you'll stay
 that way. Good luck next year and in the
 years to come. Hope you have a great
 summer and I hope to see you around.
 Love,
 Dave Luthi

Sheryl,
It's been great this
year. I hope you
know you won't just
leave and have a lot
of luck next year. See
you soon.
Love,
Lia

Sheryl
I am glad that
I got to know you this
year and I think you are a
real nice girl. Maybe
Joe and me will go
over for a mat hop &
to see you ~~there~~ in the summer
and next year
I want
Average

Sheryl,

I am glad I got to know you
 better. Hope we can remain friends all
 of our years. German 2 was a lot more
 fun than German 1. I know I will see
 you at Meg's house. Maybe we can all
 go to the beach. I will never forget our
 way of taking tests 1-A, 2-B, 3-C, we used
 our fingers. Stay sweet and cute. Good
 luck in the future with all you
 do. Stay the way you are. Keep in
 touch (943-7341)

Sheryl,
I'm glad I
got to know you and hope
we stay good friends. Remember we
took off on John's moped and didn't come
back till it was practically out of gas. Hope you
have a great summer, maybe I'll see you.
Jeff Minge

Sheryl,
I think you are one of the coolest
chicks around. I enjoyed given you
and Cathy rides home every now and
then. Have a great summer and I'll see
you next year. Keep in touch love always

Sheryl,
It was a lot of fun having you
in my Biology class. We sure went
through a lot! Good luck next year
and have a great summer.
Your Friend always
Jennifer Warnock

Sheryl-
I'm glad that we
got to be such good
friends. We've had
a lot of good times,
and I know there's
more to come! It's
too bad that it couldn't
work out between
you and Jon but, I
guess he'll live though!
Wish you lots of
luck!
Love,
Sue

Sheryl,
I don't know you
that well but what
I do know of you
you are very nice
and you are a
lovely person.
Good luck

Sheryl,
Well, it looks like we've made
it through 2 years at L.M.,
huh? I'm really glad we're
friends. I sure hope this
summer is a fun one and
I hope to see you a lot!!
See you later, OK?
Love ya,
Lisa

I haven't had enough
time with you to say
how much I love you
but I can carry about you
in my heart

Sheryl.

Well Sweetie what can I say. We've been through an awful lot together. Remember when we first started talking in Edge's class. Mrs. P's problem, going to movies, cutting 4th period, 6-7-77, long talks about anything and everything, your ^{13th} birthday dinner and all the fun we had that night, going to Lake Elsonor with Mike and Amy, getting behind-the-wheel, waiting to get our licenses, 3rd period P.E. with you-know-who, riding the tandem to Steve's, the "Four Musketeers", dances, volleyball at the beach, beer breaks, my certain love for a teacher, the tennis ball, getting into and out of swimming, our walks in the park around the lake, "Roughland", bowling, SEC., and all the times we've been together. I'll never forget you. Everything we've ever done stands out in mind like it was yesterday. You already know how I feel about you ~~I've~~ ~~told~~ you and show you all the time. I'm looking forward to more good times and I'm sure they'll be a lot more. I hope when we're seniors you'll still want to go traveling with me, especially to Indiana. That'll be so fantastic if it ever comes true. I ~~do~~ hope we go to Germany or Sweden next year too. That's gonna be the biggest blast. Just think "no drinking age." We'll probably be bombed every day one night. I doubt that, but it is something to dream about. What a dream huh? You're really the nicest person. We are ~~are~~ so much alike that it's pitiful. That's why we get along so well though. I still got to get you and Mike together for at least one night. When Amy's gone Mike's suppose to take care of me so maybe you'll be around when he's "babysitting" me. I'm sure you will be. Maybe my affair of next year will come true. That would be exciting. I'd fix you up with his brother (if he has one). Oh yeah. Love is so exciting. We gotta go to youth employment too. Well sweetie here comes my second half. We've got two more years and I'm sure they'll go by faster than the first 2 years went by. We had a lot of good times this year. Just think, if it's true that things get better with age. Whoo Babai! It's really wierd how I can tell you every-thing I feel even if it is a different opinion from yours and we don't get in a fight. I hope that ~~made~~ sense to you cuz it barely made any sense to me. One of these days when we're old and grey (God help us) we'll call each other up and start talking about these very same days when we were young and full of life and regret things we never said or did. No I doubt that but you never know. Wait a second I forget one "never forget" Remember how we made our way through P.E. with passing grades - all the flirting - Oh yeah. Well I think I've about finished for now at least I hope I have. See you during the summer and next year and the year after etc. Take care of yourself and always remember that you're the best & #1 and I Love You. Love you always & forever, Meg. "yg"
